

## **Floreciente Community Meeting**

### **Summary Notes**

**Thursday, November 2, 2017**

#### **1. Review & Discussion of current projects**

- Neighbors were asked to name projects or improvements they have seen or been a part of in the Floreciente neighborhood. Some projects named were flower pots, awnings, mural, and Floreciente Association Launch Event.
- One concerned neighbor asked about sidewalks he has identified as a need in the community. Jeff Anderson from the City of Moline announced that the season to repair sidewalks has concluded, but will commence again in the spring. At the next meeting the City of Moline will provide a list of sidewalks that will be replaced during the spring.
- Neighbors were presented a chart of how many projects have been completed by year and how many were close to being completed and with community assistance, they could be completed. Global Communities asked for volunteers for the following projects:

- Decorate the COP Shop window as a Floreciente Bulletin Board.
- Represent the Floreciente neighborhood on the MCDC Board.
- Find information on where to plant flowers and bushes on RR Avenue.
- Update snow removal flyer to make it more appealing and easy to read.
- Locate street lights in the neighborhood in need of replacement.
- Pass out flyers to the neighborhood for community meetings.

- Many volunteers have signed up for the listed projects. If you are interested in volunteering to help the Floreciente neighborhood please call Global Communities at (309) 207-1327.
