A workbook for the Disciples and  
UCC to engage in God's transforming  
mission through Global Ministries.

# Be a *global mission church!*

Will you accept the challenge?

Global Ministries would like to accompany you on this journey as you reach out beyond national boundaries to engage in God's transforming mission with our international partners.

The United Church of Christ and the Christian Church (Disciples of Christ) have passed resolutions at Disciples General Assembly and UCC General Synod affirming our two denominations' commitment to be a *Global Mission Church*.

This workbook is a tool to help all settings of our two churches faithfully live out that commitment to God's global mission with the accompaniment of Global Ministries.

We look forward to walking with you on this journey of faith as we claim our identity as a *Global Mission Church*. Together, we continue in our mission to receive and share the Good News of Jesus Christ by joining with global and local partners to work for justice, reconciliation, and peace.

We are grateful for your partnership in God's global mission!

### An important note for Disciples' areas/regions and UCC associations/conferences:

We are excited that you have decided to undertake the *Global Mission Church* process. With your intentional support, the congregations of your area/region or association/conference will be able to deepen their global mission involvement. We have designed this workbook for congregations, but the five steps can easily be adapted to UCC conferences and associations and Disciples' regions and areas. We look forward to walking with you on your journey to be a *Global Mission Region or Conference!*

# Gather

a team to coordinate the *Global Mission Church* process.

As you begin the *Global Mission Church* journey, consider these leadership questions:

1. Is there an existing committee? Is it working well? Do we need a change of personnel, name, time, budget, etc.?
2. Is anyone missing from our committee? Are there former missionaries or people with international experience who might like to participate? Do we have youth representation?
3. Are there any people with a passion for global mission in our church? Enthusiasm and energy are more important than expertise. People can learn about global mission as they go!
4. How can we involve youth and a diverse cross section of our church?

5. How can we avoid having our mission program identified with just a few people? What are strategies that we can implement to help the entire church feel responsible for this initiative?
6. Who in our church is effective in spreading the word through newsletter articles, bulletin boards, bulletin inserts, e-mail updates, website postings, and mission moments?
7. As the team that will lead this process comes together, consider how you might affirm the importance of this work during Sunday morning worship through a prayer or a simple commissioning service.

**With a leadership team in place, you are ready to move on to STEP 2!**

# Learn

about Disciples and UCC global mission understandings and commitments.

As you gather your *Global Mission Church* leadership team for your first meeting, take some time to talk over the foundational principles that guide our global mission efforts through Global Ministries. You may enjoy learning more about our two denominations' participation in God's global mission by looking at the Global Ministries website, [www.globalministries.org](http://www.globalministries.org). Here are some frequently asked questions and answers for discussion:

## What is a *Global Mission Church*?

A *Global Mission Church* understands itself to be inter-related with the whole of God's creation across all physical and human-made barriers and seeks to receive and share the Good News of Jesus Christ by joining with global and local partners to work for justice, reconciliation, and peace.

## What is global mission?

Carlos Cardoza-Orlandi provides a very helpful starting point in defining mission. In his book, *Mission: An Essential Guide*, he offers the following definition: "Mission is the participation of the people of God in God's action in the world."

## What is Global Ministries?

Global Ministries is responsible for engaging UCC and Disciples churches in God's mission beyond our national borders as we discern together God's action in the world. Our two denominations have a formal partnership through Disciples' Division of Overseas Ministries (DOM) and the UCC's Wider Church Ministries (WCM) in the work of Global Ministries – sharing staff in Indianapolis and Cleveland, resources, and programs in our presence and witness with international partners.

## How was Global Ministries started?

Discussions began in the 1960s about "joint action and a possible administrative merger of the agencies." These discussions led to experiments with joint offices and "common ministry" over the next several decades. In 1989, the General Synod of the UCC and the General Assembly of the Disciples each voted on a partnership resolution "to engage in mission together, wherever and whenever possible." On January 1, 1996, Global Ministries was born.

## Why is Global Ministries unique?

No other two denominations in the U.S. have entered into covenantal partnership to do global mission together through a common structure as the Disciples and UCC have done through Global Ministries.

*Restoring Dignity, Nourishing Hope: Developing Mutuality in Mission*, a book produced by Global Ministries, is written for congregations to explore what it means to be in partnership. In addition to the concept of partnership, the book addresses themes of advocacy, short-term mission trips, community development, evangelism, and interfaith dialogue. Each chapter contains questions so that individuals, adult study classes, and mission committees can use the book for study and reflection. To order, call (800) 537-3394 or go to [globalministries.org/restoring\\_hope](http://globalministries.org/restoring_hope).

## What are Global Ministries' current mission priorities?

### **Vision:**

That all of God's people and creation share in God's abundant life

### **Mission:**

To receive and share the Good News of Jesus Christ by joining with global and local partners to work for justice, reconciliation, and peace

### **Core Values:**

#### **Presence**

Manifesting God's love by loving in intentional, committed relationships.

#### **Mutuality**

Walking in hope with others in God's mission.

#### **Community**

Building interdependence and unity among all God's children.

#### **Justice**

Living out God's radical love by confronting powers that deny the fullness of life and the integrity of creation.

#### **Peace**

Embodying reconciling relationships with God, humanity, and creation.

## What is the primary focus of missionary appointments?

Global Ministries appoints mission personnel in places where education, capacity building (leadership and community development), and healthcare are a primary focus. Each missionary appointment is processed in dialogue with the global partner.

## What categories of missionaries does Global Ministries send?

**Missionaries** are supported with salary and benefits and serve a term of three to four years. They are sent when a global partner makes a request for a person to fill a specific need, finances are available for an appointment, and a qualified person to fill the role is identified.

**Global Mission Interns** serve one to three years with a global partner. Interns must have a relationship to the church with preference given to members of the United Church of Christ and the Christian Church (Disciples of Christ). This program is open to college graduates under 30 who have a willingness to receive and share gifts with global partners in intentional service.

**Long Term Volunteers** serve for one to four years in response to a request from a global partner. The volunteer is primarily responsible for all funding, with Global Ministries and the global partner contributing to the support if possible.

**Global Service Coworkers** serve from two weeks up to one year and are sent on assignments identified by the global partner. Participating in a global partner's life as a coworker is a great way to connect and learn about our partner's work during a summer break or a sabbatical.

**Associates** are members of the Christian Church (Disciples of Christ) and the United Church of Christ serving outside the United States with a church, ecumenical institution, or a project involving a ministry that is in accordance with the mission principles of Global Ministries.

## How is Global Ministries governed?

The Common Global Ministries Board (CGMB) is composed of six international partners (one from each of the six areas of the world in which we are engaged in mission), 15 Division of Overseas Ministries (Disciples) Board members, and 15 United Church of Christ Board (UCCB) members representing Wider Church Ministries and Global Ministries.

## Where does Global Ministries have home-based staff?

Approximately half of the staff is based in Cleveland at the UCC Church House and the other half is in Indianapolis at the Disciples Center. Two co-executives, one in Indianapolis and one in Cleveland, lead the staff. (See the staff listing at the end of this booklet for more details.)

## How is the work with international partners carried out?

Global Ministries' area offices work relationally with international partners in all aspects of their work. From the selection of missionaries, to the promotion of projects, to the setting of priorities, work is done in partnership. The area offices work in Africa, East Asia and the Pacific, Latin America and the Caribbean, Middle East and Europe, and Southern Asia. The area offices also coordinate partner ministries with Global Ministries programs including People to People Pilgrimages, Resource Development, Child and Elder Sponsorship, and Advocacy.

## How is Global Ministries funded?

A percentage of the Disciples Mission Fund (DMF) and the Easter offering from the Disciples, Our Church's Wider Mission (OCWM) from the UCC, and money through Week of Compassion (WOC) and One Great Hour of Sharing (OGHS) supports Global Ministries. Funds are also received from various endowments and special gifts provided by individuals, local churches/congregations and judicatories.

## Why is it important to be a *Global Mission Church*?

The Church exists by and for God's mission in the world. In the summer of 2009, both the Disciples and UCC passed resolutions at their General Assembly and General Synod concerning denominational commitment to be a ***Global Mission Church***. The General Assembly resolution invites Disciples to "claim the church's core identity as a ***Global Mission Church*** in all of its expressions, and calls on the church to live out this commitment in all current and future mission priorities." The General Synod resolution underscores the importance of the initiative, asking all settings of the UCC to pursue the ***Global Mission Church*** designation.

**Now that you have learned about our common global mission, you are ready to begin the evaluation process offered in STEP 3!**

# Evaluate

your past and current global mission involvement.

Most congregations are already involved in global mission. As you continue on the *Global Mission Church* journey, take the time to celebrate your past achievements and evaluate the effectiveness of those actions. Use the following questions to review the current global mission involvement and commitment of your church:

1. How are individual members active in global outreach and advocacy? Can we name the people who have a “passion” for global mission in our church? How involved in mission are our youth or our men’s and women’s groups?
2. How is our church involved globally with people, projects, and programs?
3. How do we financially support the global mission efforts of our denomination? Are we moving toward a tithe? Are we supporting Week of Compassion/One Great Hour of Sharing? What other overseas financial commitments do we have?
4. In what ways are we active in our region’s/conference’s missionary relationship? Global church partnership?

5. How often does our worship include elements of our global relationships?
6. When was the last time we had a global theme for a lunch or dinner program? Bible study? Vacation Bible School? Youth group? Another event?
7. Have members been on a mission trip or visited Global Ministries' partners or missionaries in their travels? Have they shared what they have learned with our congregation?
8. Which Global Ministries special projects do we support (through funding, education, and advocacy), such as Child and Elder Sponsorship, disaster response, or refugee resettlement?
9. What other international or ecumenical efforts do we support financially, materially, or with time and energy? Church World Service (CWS), World Council of Churches (WCC), Habitat for Humanity? Heifer Project? Others? When was the last time we evaluated our international mission support? Do these projects match our priorities as a congregation?
10. Where and when is God's global mission visible in our church building?
11. What understanding of global mission do our children have? Have they met and spoken with a missionary or a mission partner?
12. What nationalities are present in our congregation? What natural global relationships do we already have?

13. Has our church resettled refugees or reached out to international students? Are there other opportunities to connect globally within our community?
14. How do our members live out the inter-connectedness of local and global justice issues and relationships?

### Global Mission Evaluative Summary Questions:

1. What did we learn from this evaluation about our church's global mission involvement?
2. What are the strengths and weaknesses of our global mission efforts?
3. What new areas do we want to consider in this next phase of our global mission involvement?

**Now that you have evaluated your current global mission involvement, move to STEP 4 to create a new action plan!**

# Create

your new action plan for engaging in God's global mission.

It's time to invent your church's future! We invite you to create an action plan of global mission involvement based upon your evaluation and tailored to your church's interests. We have provided an action plan checklist of global mission engagement ideas organized into the seven markers of a *Global Mission Church*. As you read through the checklist:

- Begin by selecting what your church has already been committed to doing in global mission that you want to continue. Under each mark of a *Global Mission Church* you may include ideas which are not listed. Be creative!
- Choose a few new ideas that are realistic for your church. Remember, it's all about responding to God's call and taking the next step(s). Try to spread your ideas for action over the seven marks of a *Global Mission Church*. Be ambitious!
- Write down ways to put each idea into practice and include target dates and names of people responsible. Plan an annual evaluation of your progress. Be committed!

Expect to implement these ideas for action over three years. At the end of that three-year period, evaluate and then plan to begin another cycle.

## Prayer for a *Global Mission Church*

### *God, we thank You ...*

- for the opportunities we have to reach out to the world around us and hear what others in the wider world have to say as they bear witness of You in their lives;
- for the people in our church who seem to always have the wider world upon their hearts and in their vision;
- for our church's global mission legacy; and
- for the lives of those who have gone before us dedicating their time, talent and gifts in sharing Your love with others.

### *God, we ask You to...*

- continue to show us where You are calling us now, as individuals and as a church, to make a commitment to grow;
- help us as a church to hear the cries of lament and praise of people around the world;
- grant us energy and enthusiasm to reach out our hands, to receive and respond with grace;
- use our voices to proclaim the joys, as well as to denounce the suffering of Your people;
- grant us wisdom and guidance as we build global connections in the life of our church, ensuring that this may contribute to the building of Your realm; and
- bless the work of Global Ministries; in Jesus' name. Amen.

# Meet the Challenge

Many churches already actively pursue global mission through education, stewardship, and mission trips. For others, the *Global Mission Church* initiative presents a new and different challenge. Wherever your church fits, this workbook can be a new direction or a milestone on the path already being traveled.

The *Global Mission Church* process can be used to propel a church into new activities or to affirm numerous projects already in place. Whether your next step is to find a world map, study globalization, or plan a People-to-People Pilgrimage, we encourage you to make the decision to put a foot forward and take a step further into God's global mission. Being a *Global Mission Church* will challenge your members to stretch toward a new level of interest in, and commitment to, God's world.
