

Wilko Pay Negotiations Update

Dear Member

Further to my previous Pay Bulletin from January, a further meeting with Wilko senior management and your Negotiating Team took place on Thursday 16th February 2016.

It became clear from these negotiations that we were still some way apart from management in these negotiations, and therefore your Negotiating Team were not in a position at this point to refer any offer back to GMB members with a recommendation.

Given this position we have agreed at this point, the meeting stands adjourned to allow for further reflection and consideration by management.

A further meeting is now being arranged at which Lisa Wilkinson will attend. Following this next meeting we would hope to be in a position to proceed to a ballot of the membership on a proposed offer.
