

Rally & March: Sat 7th July, 12:30pm
Victoria Gardens, The Headrow, Leeds, LS1 3AA

Celebrate & Defend

Multicultural Leeds

TUC Yorkshire & the Humber

In early June 400 racists & fascists marched through Leeds chanting 'Muslims off our streets'. At a recent London demonstration they made Nazi salutes. These are supporters of Tommy Robinson – founder of the fascist English Defence League (EDL) who was jailed for 13 months in May for contempt of court. The far right are marching in an attempt to intimidate all those who oppose their racism & fascism. Join Stand Up To Racism & Leeds Labour & Trade Unions against Racism & Fascism when the fascists return to Leeds.
