

SUPPORT GREEN PARTY NEW YORK STATE

2013

This is your chance to say "I'm proud to be a Green" while helping to grow the Green Party in New York State. Below are suggested amounts dues that are scaled to income levels. Because the Green Party refuses all corporate contributions, dues-paying participants in our **Supporting Members Program** will play a vital part in making sure our State and County Green organizations have the resources needed to build the party. Plus, Supporting Members count toward your county's representation on the State Committee. This is your party, so sign up today.

Who Can Be a Supporting Member?

NY State voters who are registered Greens are eligible, after affirming GPNYS principles and setting a dues level using a budget-friendly sliding scale.

If you are age 13-17, or older but otherwise legally ineligible to register to vote in NY State, you may become a Supporting Member even though you are not a registered Green. This way, NY State residents can count toward representation in Green Party decisions even though our electoral system has disenfranchised them.

How Do I Sign Up?

Fill out, detach and mail in the below form along with your first annual or monthly check or money order made out to: **"Green Party of NYS" and mailed to GPNYS c/o Paul Corell, 476 State Street, Brooklyn, NY 11217**

All fields required except phone number, unless you do not have an email address.
