The Green Party of the United States

Your Small Change Will Have a Big Impact on The Green Party of the United States

We are grassroots activists, environmentalists, advocates for social justice, nonviolent resisters and regular citizens who've had enough of corporate-dominated politics. Government must be part of the solution, but when it's controlled by the 1%, it's part of the problem. The longer we wait for change, the harder it gets.

With GreenCents RoundUps, you can now donate your spare change to create the change we need!

You can register the credit or debit card you make purchases with and then with each swipe, you can RoundUp the total to the nearest whole dollar and donate the difference to our effort

GreenCents RoundUps are an easy, affordable and powerful way to support our mission every day.
