

American Sniper Is Coming Under Attack. Tell Hollywood: "I Support Our Heroes!"

Thanks for completing our *American Sniper* survey, and expressing your support for this movie and our nation's military.

With American Sniper breaking box office records and receiving a Best Picture nomination, the Left is coming out in full force against the movie. *The New York Times* dismissed *Sniper* movie-goers as "southern, Midwestern." Howard Dean mocked Sniper fans as "angry men... Tea Party types." And Michael Moore added that snipers in our military are "not heroes."

High-Impact Billboards In The Heart of Hollywood!

Grassfire wants to send a strong message of support for all of America's True Heroes -- the men and women of our Armed Forces who risk their lives in defense of freedom. We want to place high-impact mobile billboards in Hollywood for the two weeks leading up to the Academy Awards, announcing that "**Snipers Save Lives -- We Support Our Military Heroes!**"

But we need your help! If at least 500 Grassfire friends stand with us with a contribution of ANY AMOUNT, we will commission ONE "Snipers Save Lives" mobile billboard; if 1,000 friends help, we'll commission TWO mobile billboards, and so on.

Our Gifts To You...
