

Grassroots Northshore Endorsement Questionnaire

1. What is your stance on voucher schools and public education?

I first and most importantly believe in all children having a chance to equal opportunity and education. We must restore local school funding, increase voucher school accountability, and provide

2. What are your suggested solutions for gun violence in the central city?

parents with quality information for transparency.

- ① Establish a culture of gun safety
- ② Mental health accessibility and treatment
- ③ Trauma reduction for our children
- ④ Aggressive comprehensive recommendations from a

joint effort from agencies and experts in 90 days.

3. What are your ideas for improving the economy of the central city?

We must quickly identify our actors, leaders, and collaborators to begin emergency revitalization by building tailored products/services delivered by entrepreneurs within that community. Addressing the problem of shared value and joint efforts between organizations.

4. Where do you stand on payday lenders?

We must hold these predatory lenders accountable and cap interest rates and ignite reforms.

5. How would you reduce incarcerations, i.e. non-violent offenders, marijuana arrests, bench warrants and parole violations.

We must identify model prisoners and duplicate. Those model prisoners should have accessibility to services to combat against parole violation or potential repeat offenses. I also support legalization of marijuana to rid surge of arrests.

6. As a potential leader in your district, what are your ideas for reducing street crime?

I may find myself limited at the state level. I highly as leader pursue engagement with residents, community and faith based organizations, and local government to address the factors that contribute to the crime, delinquency, and disorder. I would encourage neighborhood watch, allowing community policing, and expanding drug courts and ex-offender rehabilitation services
