

Delta Gamma

1448 E 1st street Tucson Arizona 85719

Chapter Purpose:

Consistent with our Founders' thoughts in 1873, our primary purpose is to create an environment for our members in which lasting friendships and our vows of sisterhood emanate all aspects of our Fraternity. We encourage an atmosphere, which will foster high ideals of friendship among college women, promote their educational and cultural interests, create in them a true sense of social responsibility and develop in them high qualities of character.

	Chapter grade point average	All campus grade point average	All Greek grade point average	Rank
Fall 2015	3.101	2.951	3.084	6/15

Community Service

Delta Gamma requires each member to complete 10 hours of community service a year, however many women go beyond the requirement. We volunteer our time with multiple organizations including the Tucson School for Deaf and Blind and the Military Heroes Campaign. We also raise around \$20,000 a year for our Foundation, Service for Sight, by hosting an annual philanthropy called Anchorsplash.

Career Goals

Our chapter focuses on promoting educational interests as well as providing our members with the tools to be successful in future careers. Our goals are to help our members develop skills that will assist them in finding internships and careers. Some of the skills we are helping establish are:

- Leadership
- Teamwork
- Communication
- Integrity
- Acceptance
- Problem Solving
- Flexibility

Information

We are very excited to be a host chapter for the Greek Ladders Career Event. If you would like any more information regarding the event or our members please email the President Brielle Lyon at Uadgpresident@gmail.com.
