

Join fellow employers and meet student leaders at a special Greek Life career night taking place on Wednesday, March 9, 5:00pm-6:30pm. The event is collaboratively hosted by Greek Ladders, Arizona Inter-Fraternity Council, Arizona Panhellenic Council, the Office of Fraternity & Sorority Life, and Arizona Career Services.

All 5,000+ fraternity and sorority members are invited to participate as part of "Values Month," where students earn points for their attendance. Given the large volume, the Career Night will be broken into multiple locations...specifically, five fraternity/sorority houses located on East 1st Street. These houses are located in very close proximity to each other: Alpha Delta Pi, Chi Omega, Delta Gamma, Kappa Sigma, and Sigma Chi. Employers will be evenly disbursed among the chapter houses, which will feature enough space for tables/chairs and branded materials.
