Celebrate the Greenbelt’s 10th anniversary by experiencing the best in local craft beer, cider and other delicious Greenbelt flavours on a brand new Brewery Discovery Map Tour.

Enjoy the highest quality, flavourful artisanal cheeses, crafted by highly skilled traditional cheesemakers and supported by Dairy Farmers of Canada’s 100% Canadian milk or indulge at a remarkable certified Feast ON restaurant showcasing the best in tasty, local food.

Wind up at a hops farm, a farmers markets or a conservation area of outstanding beauty to complete your visit in and around the Greenbelt. At nearly two million acres of protected green space and farmland, it keeps our forests, wetlands and farmlands safe and sustainable and helps grow natural features. It’s the solution for clean air, fresh water, healthy local food, and a thriving economy with good jobs.

To learn more about how the Greenbelt helps keep farmers successful and strengthens local economies, go to greenbelt.ca
