

# Greenbelt Walks on the Bruce Trail

## Explore the wonder of the Escarpment at Tiffany Falls!

Tiffany Falls is a lovely 21 metre (70 foot) high cascade tucked deep in the hillside above the Dundas Valley.

**About the trail:** From the parking area on Wilson Street near Ancaster, the blue-blazes (trail markers) of the Bruce Trail's Tiffany Falls Side Trail will lead you along a well-groomed path to the base of Tiffany Falls. From the viewing platform you can enjoy an up-close, intimate look at this spectacular waterfall, one of more than 100 in the Hamilton area. Plan to take some time enjoying the impressive views from the newly constructed bridges over Tiffany Creek. Interpretive signage will add to the experience, providing insight into the waterfall and its history.

## How to Get There

To reach Tiffany Falls, take Highway 403 to Hamilton and exit at Wilson Street (Exit 58). Following the **Greenbelt Walks** road signs, turn right on Wilson Street West. Continue through Ancaster on Wilson Street East about 4km and the Tiffany Falls parking lot will be on your right.

## Ontario's Greenbelt

Ontario's Greenbelt is the solution for fresh air, clean water, healthy local food, and a thriving economy with good jobs. At more than 1.8 million acres, it's the world's largest permanently protected greenbelt, keeping our farmlands, forests, wetlands safe and sustainable. The Friends of the Greenbelt Foundation works to help keep farmers successful, strengthen local economies, and protect and grow natural features.

## The Bruce Trail

The Bruce Trail, Canada's oldest and longest footpath, provides the only continuous public access to the magnificent Niagara Escarpment, a UNESCO World Biosphere Reserve. The Bruce Trail Conservancy is a charitable organization committed to establishing a conservation corridor containing a public footpath along the Niagara Escarpment, in order to protect its natural ecosystems and to promote environmentally responsible public access.
