Durham is developing a reputation for harvesting award-winning craft beer and cider producers! Durham Flight Club route locations are open for you to fully experience their fresh artisanal beers, ciders and local flavours.

Take a tour, meet the brewer or grower and discover their partners' offerings like beer butter tarts, beer brittle, spent grain bread, cider doughnuts, cheesy ale soup and even a brew school. So much to discover! [yorkdurhamheadwaters.ca/discovery-routes](http://yorkdurhamheadwaters.ca/discovery-routes)

**Innovative local food partnerships bringing communities together**  
Take, for example, the **Old Flame Brewing Co.** in historic downtown Port Perry. They send their "spent grain" to local **Yellowlees Family Farm**, the sheep are fed the grain, the lamb meat goes to a local butcher, Herrington's, where they make beer infused **Lamb and Lager Pies**. Spent grain is used to make Port Perry's famous **Hanks Pastries** and Old Flame's **Maple Walnut Stout** is made with maple syrup from **Willowtree Farm**.
