## TENANTS RIGHTS

1

### DON'T GET KICKED OUT

A "Notice to Vacate" sign does NOT mean you are evicted. You can't be removed until after a hearing. No evictions before May 25th

2

### NO EVICTION HEARINGS UNTIL 5/18

Unless there is physical harm to the landlord, property, staff, or other tenants, or suspicion of criminal activity.

3

### CALL FOR HELP

If given a "Notice to Vacate" call Lone Star Legal Aid (1-800-733-8394) or the Texas State Bar Referral Service (1-800-252-9690). Call 2-1-1 or 877-541-7905 for help with rent payment.
