

CHAMPIONS FOR CHANGE

**Your chance to help prevent
more harm from gambling in Adelaide**

The Alliance for Gambling Reform is a national organisation dedicated to the prevention of harm from gambling.

The Alliance is launching a new Champions for Change project to encourage involvement in prevention campaigns of people who have been harmed by gambling.

Why? Because we know you care.

Sharing or drawing on your own experience or maybe that of a friend, loved one or neighbour can be powerful in calling for the changes that we all know need to happen.

The best way to find out about the project, the training and support being provided and what the Alliance is hoping we can do together is to come to an information session.

There will be many ways to get involved so bring your ideas along too and check out if it's for you.
