

The mission of the HealthCare for all Colorado Foundation is research and education regarding a single-payer universal health care system for all Coloradans.

Purchasing a Safeway gift card from HealthCare for All Colorado Foundation is just another way to show your support. Each card costs \$10.00 and can be purchased in several ways.

- Call or stop by the office
- Attend one of our events by checking the calendar on our website
- Mail us a check for \$10.00 and we will send you a \$10 gift card in return. Make sure to indicate that you are requesting a Safeway gift card and provide your name and correct address when sending us your check.

Now take your card(s) to your nearest Safeway and load them with more cash. Give them away as gifts or use them yourself to purchase food or fuel. Up to 5% will be returned to HCACF each time \$\$ is added on to a gift card.

Hold a “DIY” fundraising event - You don't need to be an event planner or have a big budget to host your own fundraising event.

- Gather a few friends and family members for a wine and cheese party and ask them to donate to HCACF by purchasing a card for \$10.00
- In lieu of birthday or wedding gifts ask your friends to donate to HCACF by purchasing a gift card.
- Invite your neighbors over for iced tea and cookies and give them a gift card just because!
- Host a “Lunch and Learn” session at your home, office or church. We have a list of speakers who are happy to come out and provide an hour or so of education and friendly discussion.

Thank you for participating in the Safeway Community Giving Card Program.

Each time you put \$\$\$ on your gift card, HCACF receives a donation which helps us to continue educating Coloradans about healthcare reform.

HCAC Foundation appreciates your support!
