HealthCareforAllColorado
FOUNDATION

The mission of the HealthCare for all Colorado Foundation is research and education regarding a single-payer universal health care system for all Coloradans.

Are you looking for a creative gift that will also support a cause you believe in?
It's as easy as 1, 2, 3...

1. **Go to smile.amazon.com.** You can use your Amazon.com account, but if you don't have one simply create an account with AmazonSmile.
2. **Select** Health Care for All Colorado Foundation as your charitable organization. That's it! All your orders, shopping cart, wish list, etc. are still the same as your regular Amazon account.
3. **Start shopping!** As you shop you will see a notification stating: "Eligible for AmazonSmile donation", which is for most of their products. HCACF automatically receives 5% from your purchases. It is as simple as that. And you never even need to leave home. Small or large purchases; it doesn't matter because it is win-win for HCACF.

Thank you for participating with Amazon Smile.

Each time you shop, HCACF receives a donation
which helps us to continue educating Coloradans about healthcare reform.

It's an easy way to give!

For more information about HealthCare for All Colorado Foundation call 303.573.5669 ext. 306
