

10th February 2021

Dear Marvin,

The Cumberland Basin Stakeholder Group met on Monday and there was some concern that we had not heard back from you following my email 14th December.

We are very appreciative of the fact that much time is being devoted to dealing with the pandemic but we are also aware that plans are moving ahead for a new engagement process and we think it would be helpful to have your views on, and response to, the issues we raised.

I look forward to hearing from you.

Kind regards

Dennis Gornall
Chairman Cumberland Basin Stakeholder Group
