Local News: and initiatives

Blue Bridge closes 11 April for 12-22 weeks for repairs

Stop excessive road speeds and vibrations to homes in Hotwells.

I live in Hotwells and am looking for residents concerned like me about the speed of traffic coming off Brunel way past the school onto Hotwell road. Sometime the big vehicles go by at over 40mph and they cause houses to shake. I'm calling for lower speeds, enforced lower speeds and road surface improvements.

I'd like to find out what we can do collectively and how it might make our area more appealing and safer. If some of us met and jointly contacted the roads authority, council and police we could get them to make our area safer for pedestrians and stop the shaking of our homes. Please contact me on colin@streetworksfilms.com if you want to join me in this endeavour.

Future for A Bond warehouse.

Darren Hall of The Pale Blues Network wants locals to share ideas about what could happen to this iconic building- do you have thoughts to share? There is some more information here: <http://future4abond.weebly.com>
