

Michael Cammarota
for
Bloomsbury Borough Council

I am a 32 year old father and husband living in Bloomsbury NJ. I have been married to my wife Kimberley for 4 years and we have a 2.5 year old son Jackson. We have a large 95lb Great Pyrenees/Lab mix dog named Thea, and two cats Pushki and Peach. Twelve years ago I started working in the Pet Specialty industry as a part time entry level employee, and am now a Vet Hospital Area Operations manager. I believe deeply in servant leadership, and that helping people discover their own abilities is very rewarding. Our family moved to Bloomsbury in early 2019 and have really loved it. The town is growing quickly and doing a wonderful job. By running for town council I aim to increase representation in our town while sharing the experiences of our growing young demographic. Together we will be able to build off the excellent work the town is doing and continue to grow the welcoming atmosphere of Bloomsbury.
