

Natalie Ferry for High Bridge Borough Council

Born and raised in Somerville, New Jersey to an immigrant family during the Mom & Pop shop era. Before the internet, big box stores and megamalls came to town, Natalie's Grandpa was able to start his own business on Main Street in Somerville, where she developed a prodigious work ethic growing up behind the counter learning the valuable skills of customer service and business practices.

Graduating from Rider University Magna Cum Laude with a BA in Education, she transferred her teaching

skills to training and operations of FDA regulated Electronic Document Management Systems, working for the past 20 years successfully managing several high-profile system integrations, configurations and implementations. She is now working at Princeton University as a Document and Records Manager.

Natalie's work ethic and highly organized, pragmatic yet cheerful approach to problem solving, has prepared her to continue to address the challenges High Bridge Borough faces and offer sensible solutions. She is committed to supporting High Bridge's businesses and has successfully started the efforts of preserving and restoring High Bridge's historical assets for future generations to enjoy and is committed to promoting High Bridge's industrial and agricultural

history and the importance of wildlife, native plants, greenways and water systems to our eco-system.

In 2017, Natalie won a seat as the only Democrat on the High Bridge Borough Council and it is her hope to continue her deepening commitment to High Bridge residents by being re-elected to Council this fall. Natalie would say that her campaign is about building relationships and working together as a community. "It has been an honor to serve the community and I look forward to the many great accomplishments we will achieve together!"

Natalie and her husband Fred are founding members of the High Bridge Democratic Club and are faithfully committed to building the club's membership and helping Democrats up and down ballot with their campaigns, in 2018 the High Bridge Democrats celebrated the win of Mayor Michele Lee and Councilwoman Leigh Anne Moore. Mayor Lee is High Bridge's first female Mayor!
