**Stockton Borough Council**

I'm Michael Mann and am running for reelection to a seat on the Common Council of the Borough of Stockton, NJ.

My wife, and I have been living in Stockton since 1996 and consider us very fortunate to reside in one of the best small towns in America. I am a graduate of Indiana University of Pennsylvania with a degree in Social Studies education.

I am retired from the Department of Human Services with the State Of New Jersey, where I was Director of Staff Development at Trenton Psychiatric Hospital. I now pursue a second career as an artist and am an avid environmentalist. As a father and grandfather, I believe that we must all work to leave our future generations a beautiful and vibrant world.
