

Hearst Elementary

These first few days of pre-K have been dandy as we've been busy learning about new friends, school routines and how to be a responsible Hearst Owl. At the end of every week we have a "Talking Circle" to discuss the highlights of our week. This week we were asked, "What is the most important thing you've learned about being a Hearst Owl so far?" Here are some of our answers:

"Mistakes are where the new learning goes!"

"We need to think and be responsible."

"The Comforter supports friends who miss their mothers."

"Feeding the fish and Jessica rabbit is the coolest job!"

"I like being junior teacher because I get to take the chart home."

"The electrician can also turn on the SMARTboard."

"We need to rest so we have energy to run and walk and jump in PE with Mr. Coleman."

"When we have a problem we go to the solution so the problem doesn't get bigger."

"For more success, we follow directions the first time."

"When someone asks for support opening something, we support them."

"We play nicely on the little kids' playground."

We can all learn a lot from these kids!
