

Hearst Elementary School

Kindergarten and pre-K have been working together over the past month to put on a fashion show on our brand-new stage! Pre-K studied clothing and kindergarten studied seasons and weather. We then had our first annual Seasons of Fashion Show! Some of the highlights students mentioned were: "I liked that we got to perform in front of audience people," "Holding the backdrop was awesome," "I did fancy stuff and watching the fancy clothes," "I liked seeing my mom!" and "I liked being a narrator and it was fun being behind the curtain!" It was so fun and we can't wait to do it again next year!
