

Hearst Elementary School

Every month, our school holds a community meeting in the gym. At the end of the day, all of the students and teachers join together as a group. Our principal reads out the names of everyone who celebrated their birthday that month. Sometimes there is a chorus performance. This month, our class sang a song about the months of the year with Ms. Molino's class. We practiced for days before the community meeting. We loved getting up in front of all of our friends to sing for them. Our voices sounded so loud over the microphone. Asked about the song, Jonatan Alvarado said, "My favorite month is April!" Dilan Martinez-Hernandez's favorite part of the song was when we clapped. Jason Kaberia and Aiden Williams were so happy that their mothers came to watch our performance. Yesenia Sorto-Ventura enjoyed spending time and singing with one of her good friends, Briana Roye-Jones. It was a great way to close out Autism Awareness Month at Hearst Elementary School.
