

Hearst Elementary School

The first six weeks of school have flown by in pre-K! We are making new friends, and learning how to be a good friend and follow school rules.

We created a class name together and now call ourselves The Peaceful Penguins! There is responsibility in being a Peaceful Penguin, and our friends would like to tell you what it means to be a Peaceful Penguin.

Sathvik: "We are peaceful."
Joshua: "We are nice and helpful."
Hannah: "We are good listeners and learners."
Sally, Aiden, Alexis and Jaya: "We are nice and help our friends."
John Robert, Leila and Emme: "We walk peacefully in the hallway."
Eli: "We listen peacefully."
Mila: "We play peacefully."
Lucas and Marisa: "We like to waddle."
Sienna: "We share with our friends."
Marli: "We are good friends."
Ella: "We are good at saying sorry."
Kenzo and Knox: "We listen with our whole bodies."

The Peaceful Penguins are working together to build a positive and caring classroom community!
