

# It's time to back Heathrow Airport

The jobs of more than one in five people living around Heathrow Airport depend on it. With new plans for Heathrow growth, we can protect over 100,000 jobs and there is a golden opportunity for local communities to grow and prosper alongside the airport. Without those plans, Heathrow faces decline which would devastate local communities.

Add your voice today! Your personal information will be kept private and held securely.

**Sign our petition to support the expansion of Heathrow Airport, safeguarding existing jobs and creating new ones. Please use BLOCK CAPITALS.**
