NEIGHBOURHOOD WATCH

Join our community

What is it?

The Neighbourhood Alert system is now available anywhere in Lincolnshire. The new website provides access to the interactive tools including messaging and information reporting facilities.

It's a free service that enables residents of Lincolnshire to engage with Lincolnshire Police and Neighbourhood Watch. You do not need to be involved with Neighbourhood Watch to join but if you are the free scheme management tools give you access to an extensive range of support and resources.

What do you get?

- A totally free service, no monthly, annual or incoming text or phone charges
- Information about crime trends, incidents and requests for info by voicemail, text and email
- Report suspicious and anti-social behaviour and receive updates and responses about them
- Start, manage or request to join a Neighbourhood Watch scheme
- Configure exactly how, when and what priority of messages you would like to receive
- Unsubscribe at any time, there are no contracts, costs or obligations
- Remain unseen on the system or make your scheme visible for other members to join

Everyone is welcome to join but if you are a NHW coordinator, please give further details overleaf. The administrators will attempt to digitally map your scheme for you over a street map so give as much information regarding the streets covered and even provide a sketch overleaf if possible.

Please sign and return this form to give consent for your information to be loaded on to the Alert system and used as described
