| 118/1617 | RAF Hemswell Day Resolved - The item would be deferred until the November 2016 ordinary meeting of Council. |
| 119/1617 | Drains Opposite 43 Capper Avenue (old Spar Shop) Cllr Kirman proposed, seconded by Cllr Hann, that the Parish Council will instruct any grounds maintenance contractor to maintain the grassed area to an adequate standard, which includes ensuring that the grass growing on Parish Council land does not obstruct the 'drains' in question. That the Council resolve to make no commitment to maintain, improve or repair the drains opposite 43 Capper Avenue primarily because they are not on its land and it does not own them and for the following reasons: <ul style="list-style-type: none"> • The Council does not want to set a precedent which would see it having to undertake similar work on privately owned land elsewhere within its boundaries; • the possibility that the Council would be tacitly agreeing to the ongoing maintenance of the drains in question; • the implication that the Council accepts any liability for the flooding of your property, which it does not; • that undertaking such work would be unlikely to confer a commensurate benefit to the expenditure incurred (Section 137 of the Local Government Act 1972), and; • that the drains in question are unlikely to be the cause of the flooding at your property. That Council resolves that the Chairman, Councillor Prestwood, should write a letter making clear the Parish Council's position on the issue to the resident. That Council also resolve to instruct the Clerk not to engage in further discussion with the resident or any other party about this particular issue because of the threat of legal action from the resident. In the future the Clerk has been instructed to send a simple acknowledgement and to raise the issue at the next ordinary meeting. A more detailed response will be sent only if members think it necessary. This arrangement will be reviewed in six months. Resolved - The proposal received unanimous support and the Clerk was instructed to inform Councillor Prestwood of the Parish Council's decision. |
