HIROSHIMA

MAY 22 - 24, 2020
HIROSHIMA, JAPAN
ABOUT THE EVENT

Rotary International

Rotary is an international club service organization with more than 100 years of existence. Rotary members believe that we have a shared responsibility to take action on our world’s most persistent issues. Our 35,000+ clubs work together to: Promote peace, fight disease, provide clean water, sanitation and hygiene, save mothers and children, support education and grow local economies.

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Rotary Youth Leadership Awards is an intensive leadership experience organized by Rotary clubs and districts where young people can develop leadership skills while having fun and making connections.

The Hiroshima Rotary District 2710 is hosting the first international RYLA in its history and the Rotary E-Club of District 5000, Hawaii has partnered to seek 15 international young students and/or professionals to join 85 Japanese RYLA participants in a rare and valuable intercultural experience!

DONATIONS:
As you can guess, we have found no shortage of young people wanting to go to the International RYLA and Peace Camp in Hiroshima. The problem is money. Even if you and your club are unable at this point to send a representative, please consider donating to this project. If you all give a little and provide the funds, we will recruit the young Rotarian or potential Rotarian participants.

SPONSORSHIPS:
If your club, company, or organization sponsors a participant, we will use every opportunity to promote your name, your project or product. We can include logos and information on written material, on banners, and in the “thank you” parts of speeches. Involvement in this project through sponsorship would be an excellent way to introduce yourself to the Rotary Clubs of Hiroshima. They will all be paying close attention to what happens.

Donations are fully tax deductible, and we will send a receipt from PEAC Institute, a 501(c)(3) nonprofit organization incorporated in New Jersey, United States.

For more information about registration, donation and sponsorship, please contact:
