

## Trek with us to Haiti

Investors at the \$5,000\* Vice Chair level will be invited on an all-women's trek to Haiti where you will experience, first-hand, the impact of your contribution.

The 2016 Stronger Together Trek, led by buildOn's Chief Program Officer Rosann Jager and Haiti Country Director Suze Charles, will immerse you in the issues facing women throughout the developing world. You will join In a Perfect World Founder, Manuela Testolini, and an exclusive team of 15 women who will travel to the site of a new school build, funded by In a Perfect World. You will live, work, and learn side-by-side with the women who are leading the movement for gender equity in their communities. And, you will leave the experience with lasting relationships and a deeper understanding of how, by standing in solidarity with women globally, you are helping to end extreme poverty.

\* Flight and Trek travel expenses are not included.

## WHEN: December 4-10, 2016

### December 4

Arrive in Port-au-Prince where you will meet your Trek teammates for a welcome and orientation dinner. Depart early the next morning to your host community.

### December 5

Once you arrive in your host community, participate in a welcome ceremony and meet your host family.

### December 6-8

Wake every morning to work side-by-side with buildOn's all-female construction team. Spend the afternoons immersing in cultural activities centered on women's issues and participate in buildOn's Adult Literacy Classes.

### December 9

Have breakfast in the village. Say farewell to your host family and the Haitian friends you've made. Then, travel back to Port-au-Prince, stopping for local souvenir shopping along the way. Have your final farewell dinner with the buildOn team.

### December 10

Travel in the morning to the Port-au-Prince airport to return home.
