

Inland Empire Waterkeeper invites you to

FALLFEST 2015

In honor of Inland Empire Waterkeeper's 10th anniversary and this historic drought, FallFest 2015 will strongly focus on water conservation this year! Come to FallFest to teach the public your best water conservation practices, your organization's water education programs/water efficient landscaping workshops and to be a water conservation resource in the IE!

FallFest supports Title I, disadvantaged schools by providing free, water-science field trips to K-12 students throughout the Inland Empire!
