

## Restaurant and Shopping Fundraisers

### How it Works:

The following retail chains and restaurants have programs which allow nonprofit volunteers to organize fundraising events for their favorite charity. Typically, a percentage of total sales from the fundraising event will be donated to the approved charity. Each restaurant and retailer has its own application process and terms for the event. Click on the links below to find out more about the program that interests you.

### Charity Commitment:

It's the charity volunteer's responsibility to ensure that the event is well attended! Once you apply for an event and are accepted, be sure to promote it to your friends and family and invite them to attend. And, don't forget to let us at the IFOPA know about your event! To brainstorm ways to get the word out and to share your event information, contact Sara Brown at [sara.brown@ifopa.org](mailto:sara.brown@ifopa.org).
