Partner with IGNITE to train 300 college-aged women from across the Bay Area. This premiere event gives young women concrete political leadership skills, special access to elected leaders and an expanded network of politically ambitious peers.

IGNITE is the only national organization that provides sustained, year-round political leadership training and civic engagement opportunities to high school and college women. This year IGNITE will train 10,000+ young women in 20 states across the country, and we are growing rapidly.

IGNITE has a track record of securing high profile civic and political leaders to inspire our young women. Past IGNITE speakers have included Congresswomen Nanette Diaz Barragán, Pramila Jayapal, Ileana Ros-Lehtinen, Susan Brooks, Yvette Clarke, Michelle Lujan Grisham, Eddie Bernice Johnson, Barbara Lee, and Sheila Jackson Lee; Minority Leader Nancy Pelosi; Senators Kirsten Gillibrand and Shelley Moore Capito; California LT Governor-elect Eleni Kounalakis; Stacey Abrams, Former Minority Leader, Georgia House of Representatives; and Civic Leaders like Tarana Burke, the founder of the #MeToo movement.
