Hi, my name is _____ and I am calling to urge Senator _____ to vote YES on AB 963 on the Senate floor. As a student of _____ and a California resident, I believe that (share why you think the bill is important). AB 963 will require public colleges and universities to designate a Civic and Voter Empowerment Coordinator, who will be tasked with developing a Civic and Voter Empowerment Action Plan and facilitating events throughout the academic year that focus on civic engagement, voter turnout, and community building. Data shows that when college campuses devote resources into developing an Action Plan focused on civic and voter empowerment, it results in strong voter turnout.
