

ENROLLMENT – R.S.V.P. SENIOR CORP PROGRAM

As a mentor with the Imagine LA program, you can become an L.A. Works R.S.V.P. Senior Corps volunteer, if you are 55 or older.

Across the nation, mature adults, like yourself, are giving thousands of hours daily to positively impact the communities they live in.

Your contribution to your community, along with the contribution of your peers, will be reported to policy makers to demonstrate the impact of senior volunteerism on a local and national level.

As an R.S.V.P. volunteer you will be covered by supplemental insurance while volunteering.

Help send the message that mature adults are making meaningful contributions, solving problems, and bringing our communities together!

For more information, complete the R.S.V.P. Enrollment Form, provided by Imagine LA in partnership with L.A. Works.
