

AMSTERDAM

3-5 DECEMBER

2020

12th CONFERENCE

CONFERENCE PROGRAMME

ORGANISED BY

A JOINT COLLABORATION WITH

WHO Collaborating Centre for
International Child & Adolescent
Health Policy

DAY 1: Thursday 3rd December 2020

09:00-11:00 OPENING PLENARIES – Co-Chairs, WHO and EU

Health System Resilience and Preparedness in the COVID-19 Era

Conference Co-Chairs: Prof. Sir. Terence Stephenson
Institute of Child Health, UCL, (UK) Prof. Joan Carles Suris
Centre Hospitalier Universitaire Vaudois (SW) Dr. Jo Inchley
University of Glasgow (UK)

11:00-13:00 NOON SESSIONS

DERMATOLOGY (DER-1) Pediatric Dermatology Updates	SPOT THE EARLY SIGNS SES1 Early Diagnosis Makes a Difference	GASTROENTEROLOGY (GAS-1) Updates on Gastrointestinal Conditions	ADOLESCENT MEDICINE (ADM-1) Adolescent Mental Health	POLICY FOCUS GROUP (PFG 1) Lifecourse Vaccinations
<p>Mastocytosis Dr Dirk van Gysel <i>O.L Vrouw Hospital Aalst (BE)</i></p> <hr/> <p>Allergological Workup in Atopic Dermatitis Prof. Suzanne Pasmans <i>Erasmus MC University Medical Center, Rotterdam (NL)</i></p> <hr/> <p>Dermoscopy in Children Prof. Ramon Grimalt <i>International University of Catalunya, Barcelona (ES)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Normal Development of Mouth/Face in Infants. Important Hard (Teeth) and Soft Tissue Anomalies that need Early Recognition Ass. Prof. Richard Widmer <i>University of Sydney, (AU)</i></p> <hr/> <p>More Speakers to be Announced</p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Coeliac Disease and the New Guidelines Prof. Luisa Mearin <i>Dept. Of Paediatrics, Leiden University Medical Center (NL)</i></p> <hr/> <p>Treatment of Nausea Prof. Marc Benninga <i>University of Amsterdam (NL)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Mental Health and Psychology - Addictions <i>Speaker to be Announced</i></p> <hr/> <p>Mental Health and Psychology - Anxiety <i>Speaker to be Announced</i></p> <hr/> <p>Mental Health and Psychology - Depression <i>Speaker to be Announced</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Lifecourse Vaccinations As The Basis Of Health Systems Resilience And Preparedness Prof. Patricia Bruijning-Verhagenal <i>University Medical Center Utrecht (NL)</i></p> <p>Prof. Timo Vesikari <i>Vaccine Research Center (FI)</i></p> <p>Dr. Hana Nohynek <i>National Institute for Health and Welfare (FI)</i></p> <p>Prof. Vytautas Usonis <i>Vilnius University, (LT)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>

14:00-16:00 EARLY AFTERNOON SESSIONS

DERMATOLOGY (DER-2) Pediatric Dermatology Updates	INFECTIOUS DISEASES (INF-1) Updates	GASTROENTEROLOGY (GAS-2) Functional Gastrointestinal Disorders	ADOLESCENT MEDICINE (ADM-2) Nutrition and Obesity	POLICY FOCUS GROUP (PFG 2) Vaccines Confidence
<p>Differential Diagnosis of White Spots in Children Dr Barbara Kunz <i>Dermatologikum Hamburg (DE)</i></p> <hr/> <p>Lumps and Bumps in Infants Dr. Mario Cutrone <i>Ospedale San Bortolo Vicenza, Venice (IT)</i></p> <hr/> <p>Common Tumours in Childhood Prof. Zsuzsanna Szalai <i>Heim Pál National Children's Institute (HU)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Pertussis Research and New Developments Ass. Prof. Dimitri Diavatopoulos <i>Radboud Center for Infectious Diseases, Nijmegen (NL)</i></p> <hr/> <p>Pneumococcal Vaccinations and Surveillance Data After PCV10 Prof. Lieke Sanders <i>University Medical Centre Utrecht (NL)</i></p> <hr/> <p>Immunological Consequences of Measles Infection Prof. M.G. Netea (Mihai) <i>Radboud Center for Infectious Diseases, Nijmegen (NL)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Non-Pharmacological Treatment of Functional Abdominal Pain in Childhood Prof. Marc Benninga <i>University of Amsterdam (NL)</i></p> <hr/> <p>Pharmacological Treatment of Functional Abdominal Pain in Childhood Prof. Mark Beattie <i>University Hospital Southampton (UK)</i></p> <hr/> <p>The Role of the Pediatric Surgeon in Functional Constipation Dr. Justin de Jong <i>Emma Children's Hospital & VU University Medical Center, Amsterdam (NL)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Analysing Perceptions of Obesity Amongst Adolescents <i>Speaker to be Announced</i></p> <hr/> <p>Optimising Adolescent Nutrition and Diet <i>Speaker to be Announced</i></p> <hr/> <p>Sedentary Behaviours in Children <i>Speaker to be Announced</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Building on the Public's Experiences from COVID-19 to Increase Vaccines Confidence and Address Misinformation and Education Gaps Prof. Timo Vesikari <i>Vaccine Research Center (FI)</i></p> <p>Prof. Elisabeth Sanders <i>University Medical Centre Utrecht, (NL)</i></p> <p>Prof. Irena Bralic <i>University of Split, (CR)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>

16:30-18:30 **AFTERNOON SESSIONS**

INFECTIOUS DISEASES (INF-2) Respiratory Syncytial Virus Infection	GASTROENTEROLOGY (GAS-3)	ADOLESCENT MEDICINE (ADM-3) Trauma-informed Practice and Violence	ORAL PRESENTATIONS (OP1)	POSTER THEATRE
RSV and Coming RSV Immunizations Prof. Louis Bont <i>Wilhelmina Children's Hospital, University Medical Center, Utrecht, (NL)</i>	Inflammatory Bowel Disease (Workshop) Prof. Mark Beattie <i>University Hospital Southampton (UK)</i>	An introduction to Trauma-informed care and Practice <i>Speaker to be Announced</i>	Selected Oral Presentations: ABSTRACTS 1-12	Building on the Public's Experiences from COVID-19 to Increase Vaccines Confidence and Address Misinformation and Education Gaps
Could it be Mycoplasma Pneumoniae? Prof. Annemarie van Rossum <i>Erasmus MC University Medical Center-Sophia Children's Hospital, Rotterdam (NL)</i>	GASTROENTEROLOGY (GAS-4)	Effectively Reducing the Likelihood of Stressful Interactions <i>Speaker to be Announced</i>		
Microbiome, RSV and Viral Respiratory Infections Prof. Debby Bogaert <i>Centre for Inflammation Research, University of Edinburgh, (UK)</i>	Recent Papers in Gastroenterology & Nutrition Prof. Mark Beattie <i>University Hospital Southampton (UK)</i> Prof. Marc Benninga <i>University of Amsterdam (NL)</i>	Trauma-informed Guidelines for HCPs <i>Speaker to be Announced</i>		
Q&A and Interactive Discussion	Q&A and Interactive Discussion	Q&A and Interactive Discussion		

DAY 2: Friday 4th December 2020

09:00-11:00 **MORNING SESSIONS**

NEONATOLOGY (NEO-1) Ventilation/Lungs	NUTRITION (NUT-1) Nutritional Support	RESPIRATORY (RES-1) The Life Course Perspective to Respiratory Health Trajectory	RHEUMATOLOGY (RHE-1) What you should know in Pediatric Rheumatology and Beyond	WORKING GROUP (WG1) Influenza Vaccinations
Transient Tachypnea of the Newborn (TTN) Prof. Arjan te Pas <i>Leiden University Medical Center, (NL)</i>	Nutritional Support of the Preterm Infant Dr Mark Johnson <i>University Hospital Southampton (UK)</i>	The Dangers of Lung Function Impairment in Childhood Prof. Adnan Custovic <i>Imperial College London (UK)</i>	Physical Examination in Pediatric Rheumatology Prof. Rolando Cimaz (IT) <i>Meyer Pediatric Hospital, Florence (IT)</i>	Influenza Vaccinations For The Next Season Should Be The First Priority For All Countries Dr. Hana Nohynek <i>National Institute for Health and Welfare (FI)</i> Prof. Elisabeth Sanders <i>University Medical Centre Utrecht, (NL)</i> Prof. Vytautas Usonis <i>Vilnius University, (LT)</i>
Invasive and Non-Invasive High-Frequency Ventilation in Newborns Prof. Anton van Kaam <i>Emma Children's Hospital & VU University Medical Center, Amsterdam (NL)</i>	Nutritional Support in the Intensive Care Prof. Koen Joosten <i>Erasmus MC-Sophia, Rotterdam (NL)</i>	Oral Immunotherapy for Food Allergy: A Dawn of the New Era and Anaphylaxis Management Dr Paul Turner <i>Imperial College London (UK)</i>	Non-inflammatory Pain Syndromes Prof. Christian Hedrich <i>University of Liverpool (UK)</i>	
Neonatal Non-Invasive Respiratory Support Dr Torsten Uhlig <i>LMU University Munich (DE)</i>	Intestinal Failure: Home Parenteral Nutrition Dr Merit Tabbers <i>Amsterdam UMC (NL)</i>	Microbes as Novel Targets for Asthma Treatment and Prevention Prof. Sejal Saglani <i>National Heart & Lung Institute, Imperial College London, (UK)</i>	Joints and Eye Prof. Kirsten Minden <i>Charité University, Berlin, (DE)</i>	
Q&A and Interactive Discussion	Q&A and Interactive Discussion	Q&A and Interactive Discussion	Q&A and Interactive Discussion	

11:00-13:00 **NOON SESSIONS**

NEONATOLOGY (NEO-2) Acute Respiratory Distress in Children (Workshop)	ENDOCRINOLOGY (END-1) Updates	RESPIRATORY (RES-2) The Life Course Perspective to Respiratory Health Trajectory	RHEUMATOLOGY (RHE-2) Joints and Skin. What is the Connection?	WORKING GROUP (WG2) Meningococcal Vaccinations
Feeding Problems and Tongue-Tie Prof. Roland Hentschel <i>University Medical Center, Freiburg (DE)</i>	Diagnostic Approach to Disorders of Sex Development Dr Nils Krone <i>University of Sheffield (UK)</i>	Management of Pre-School Wheezing Prof. Adnan Custovic <i>Imperial College London (UK)</i>	Joints and Skin Prof. Marija Jelusic <i>Division of Paediatric Rheumatology and Immunology, University of Zagreb, (CR)</i>	Meningococcal Vaccinations Against All Strains Are Now More Important Than Before COVID-19 Prof. George Syrogiannopoulos <i>University of Thessaly (GR)</i> Prof. Patricia Bruijning-Verhagenal <i>University Medical Center Utrecht (NL)</i> Prof. Timo Vesikari <i>Vaccine Research Center (FI)</i> Dr. Francisco Gimenez-Sanchez <i>Balmis Institute of Vaccines, (SP)</i>
Seizures in the Neonate: State-of-the-Art Prof. Maria Roberta Cilio <i>University of Louvain, Saint-Luc University Hospital (BE)</i>	Genetic Obesity, Diagnostics and Novel Drug Therapies Dr Erica van den Akker <i>Erasmus MC Sophia Children's Hospital, (NL)</i>	Chronic Wet Cough Prof. Ahmad Kantar <i>Pediatric Asthma and Cough Centre, Policlinico San Pietro (IT)</i>	Joints and Skin Prof. Isabelle Konè-Paut <i>CHU Paris-Sud - Hôpital de Bicêtre, Le Kremlin-Bicêtre (FR)</i>	
Update on Sedation and Analgesia in Neonates Dr Hanna Petersen <i>Charite Berlin (DE)</i>	Turner Syndrome—Diagnosis and Therapy Dr Theo Sas <i>Erasmus MC University Medical Center, Rotterdam (NL)</i>	Diagnosis and Management of Congenital Abnormalities of the Lungs Prof. Daan Caudri <i>Sophia Children's Hospital, Rotterdam (NL)</i>	Joints and Skin Dr Maryam Piram <i>Centre de Référence des maladies auto-inflammatoires, Centre d'Epidémiologie et de Santé des Populations Le Kremlin Bicêtre (FR)</i>	
Newborn Nutrition – NewTrends for Oral and Parenteral Nutrition Prof. Roy Philip <i>University of Limerick (IR)</i>	Q&A and Interactive Discussion	Q&A and Interactive Discussion	Joints and Skin in Rheumatology: A Long-Standing Couple. Dr Teresa Giani <i>Anna Meyer Children University Hospital, Florence (IT)</i>	
Q&A and Interactive Discussion	Q&A and Interactive Discussion	Q&A and Interactive Discussion	Q&A and Interactive Discussion	

14:00-16:00 **EARLY AFTERNOON SESSIONS**

INFECTIOUS DISEASES (INF3) Influenza in the COVID-19 Era	ENDOCRINOLOGY (END-1) Psychosocial Effects on Growth (Workshop)	RESPIRATORY (RES-3) Rare Lung Diseases and Long Term Consequences of Early Life Events	ORAL PRESENTATIONS (OP2)	WORKING GROUP (WG3) Pneumococcal
Influenza vaccination in times of COVID-19 – Learning from the Southern Hemisphere <i>Speaker to be Announced</i>	Examining the Psychosocial Effects on Growth Prof. Alan. D. Rogol <i>University of Virginia (US)</i>	Long Term Effects of Bronchopulmonary Dysplasia Dr Marielle Pijnenburg <i>Erasmus MC University Medical Center, Rotterdam (NL)</i>	Selected Oral Presentations: ABSTRACTS 13-25	Protection Against Pneumococcal Infections is now more Essential than ever Prof. Dace Zavadska <i>Riga Stradins University, Riga (LT)</i> Prof. Irena Bralic <i>University of Split, (CR)</i> Dr. Francisco Gimenez-Sanchez <i>Balmis Institute of Vaccines, (SP)</i> Prof. George Syrogiannopoulos <i>University of Thessaly (GR)</i>
Minimizing Infections and the Subsequent Hospitalizations from Influenza <i>Speaker to be Announced</i>	Q&A and Interactive Discussion	More Speakers to be Announced		
Health System Resilience - Influenza Data 2020 <i>Speaker to be Announced</i>	Q&A and Interactive Discussion	Q&A and Interactive Discussion		

16:30-18:30 **AFTERNOON SESSIONS**

RHEUMATOLOGY (RHE-3) Rheumatology Update and Challenging Cases	INFECTIOUS DISEASES (INF4) Management of COVID-19 Pediatric Infections	ORAL PRESENTATIONS (OP3)	POSTER THEATRE
<p>Interactive Cases on Pitfalls in Pediatric Rheumatology Prof. Alexandre Belot <i>Hôpital Femme-Mère-Enfant, Lyon (FR)</i></p> <hr/> <p>Emergencies in Pediatric Rheumatology Prof. Carine Wouters <i>Adaptive Immunology, KU Leuven (BE)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Pediatric Inflammatory Multi-system Syndrome and SARS-CoV-2 infection in Children Update - Signs and Manifestations Dr. Liz Whittaker <i>Imperial College London, (UK)</i></p> <hr/> <p>Prof. Taco Kujpers <i>Academic Medical Center (AMC), (NL)</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Selected Oral Presentations: ABSTRACTS 26-38</p>	<p>Selected Poster Theater Presentations: POSTERS 1-20</p>

DAY 3: Saturday 5th December 2020

09:00-11:00 **MORNING SESSIONS**

INFECTIOUS DISEASES (INF-5) Emerging and Re-emerging Infectious Diseases in Children (Workshop)	SPOT THE EARLY SIGNS - MPS Case Studies	ADOLESCENT MEDICINE (ADM-4) Transition to Adult Care (Workshop)	POSTER THEATRE
<p>Why Infections Emerge? Dr Aubrey Cunnington <i>Imperial College London (UK)</i></p>	<p>Otorhinolaryngological manifestations of the MPS <i>Speaker to be Announced</i></p> <hr/> <p>Joint and Bone manifestations of MPS <i>Speaker to be Announced</i></p> <hr/> <p>Short stature and other endocrine presenting symptoms of MPS <i>Speaker to be Announced</i></p> <hr/> <p>Mucopolysaccharidoses - complex case studies requiring a multidisciplinary approach <i>Speaker to be Announced</i></p> <hr/> <p>Q&A and Interactive Discussion</p>	<p>Transition to Adult Care Prof. Joan Carles Suris <i>Centre Hospitalier Universitaire Vaudois (SW)</i></p>	<p>Selected Poster Theater Presentations: POSTERS 21-40</p>

11:00-12:00 **CLOSING PLENARY**

Avoiding Delays in Routine Vaccinations Across Europe Post COVID-19 - Your Crucial Role as a Pediatrician
