

2020 Iowa Republican Platform

PREAMBLE

As Republicans, we uphold the principles of individual responsibility and liberty, adherence to traditional moral standards, a strong national defense, a free enterprise system and equal rights for all. Respect for the sanctity of human life, and freedom of religion and the free exercise thereof. We believe in retaining the original intent of our Constitution. We believe high moral character is a necessity for public servants. The highest standard of character should be embodied in both private and public life. We encourage the proliferation of these principles and their passage to future generations.

PLATFORM PRINCIPLES

The following are the fundamental principles that make up the platform of the Republican Party of Iowa.

I. Our nation is a Constitutional Republic whose Foundation is the Declaration of Independence and the Constitution.

We acknowledge our rights derive from God, our Creator, and are therefore unalienable and include Life, Liberty, and the Pursuit of Happiness (e.g. private property). Further, the Right to Life shall be understood to include all people from conception to natural death. We are a nation governed by people elected to public office that are sent to represent us, the citizens. Our Constitution provides limits to governmental power, explicitly details our fundamental rights and insures that only the enumerated powers contained within the Constitution are executed by the federal government. All other functions of government are left to the state and local governments.

II. We are a Sovereign Nation.

We are a Sovereign Nation with defined borders, governed by a set of laws determined by our representatives, guided by our Constitution and protected by a military strong enough to defend our nation and its interests.

III. The Oath of Office of all civil servants, elected and employed, should guide their actions.

As citizens, we demand that our elected officials take their office and its duties and responsibilities to us, our country and our Constitution seriously and act in accordance with their individual Oaths of Office.

IV. Fiscal Responsibility is a fundamental function of any local, state or federal entity.

It is a fundamental expectation that government entities act in a financially responsible manner; it follows that limiting the size and scope of government is a necessary component of achieving this end.

V. Personal Responsibility is the primary duty of all citizens.

We are a nation of individuals held together by a common vision. We are not servants of the government; we are not dependent on the benevolence of society for our survival. Our possibilities are limitless where a free market is allowed to operate without government distortion; they should not be limited by our local, state and federal government. We are citizens of our country. We as individuals are responsible for our successes and failures.

LEGISLATIVE PRIORITIES

This section enumerates what we Republicans of Iowa identify as the legislative priorities and stances for our elected representatives.

Life

1. We move the Iowa Republican party aggressively support a “life begins at conception” bill without exceptions. We believe that all human beings, from conception to natural death, have a God given and constitutionally protected right to life, which cannot be infringed. We believe all such issues belong under the constitutional authority of the state, not federal government.
2. We oppose using public revenues for abortion or funding organizations which advocate it. We commend those who provide alternatives to abortion by meeting the needs of mothers and offering adoption services.
3. We reaffirm our support for appointment of judges who respect tradition family values and the sanctity of life.
4. We oppose the non-consensual withholding or withdrawal of care or treatment, including food and water, from people with disabilities, including newborns, as well as the elderly and infirmed, just as we oppose active and passive euthanasia and assisted suicide.
5. We believe that traditional, two parent (one male and one female), marriage based families are the foundation to a stable, enduring, and healthy civilization. Therefore, public policy must always be pro-family in nature, encouraging marital and family commitment, and supportive of the parental rights and responsibilities.
6. We encourage the repeal of any laws allowing any marriage that is not between one natural man and one natural woman.
7. We support non-embryonic stem cell research, such as promoting the use of adult stem cells, while opposing human cloning and research using fetal tissue from abortions.
8. We believe the selling, brokering or marketing of aborted fetal tissue should be illegal.
9. We support adequate funding for state mental health facilities dedicated to inpatient services and outpatient mental health facilities and services. We support an increase in trained mental health professionals and staff sufficient to meet the needs of our state.
10. We support the Protect Life Amendment to the Iowa constitution.

Liberty

1. We support the 1st Amendment to allow prayer in Public Schools and Public Places.
2. We believe that parents are responsible for their children, and we support the rights of parents to be the ultimate authority for the discipline, protection, and education of their children.
3. We believe money should follow the child in education – whether that child attends public, private, parochial or home school- to assist parents financially in educating their children using the option best suited to their family’s educational needs. We call on the General Assembly to provide for tuition vouchers, tax deductions, or tax credits to permit parents’ choice in educating their children- without government intervention in the school curriculum.
4. We strongly believe in the constitutionally protected natural right of individuals to keep and bear arms, as recognized and protected by the Second Amendment, and we support the repeal of existing laws that infringe upon those rights. We support the addition of “castle doctrine” provisions to Iowa law.
5. We support “Conscience Clause” legislation so that no person, business, or organization can be penalized for its exercise of religious freedom by not providing services that violates their religious beliefs.
6. We support legislation that would prohibit any organization, (in example, Planned Parenthood), from entering public school properties for the purpose of promoting promiscuous behavior and abortion products, videos, or printed material.

5. All government fees assessed must be passed by the duly elected governmental body.
6. We oppose federal or state government taking private property away from the owner for the use of another private party. Eminent domain should be used only for public use.

9. We support prosecution of those having sanctuary cities or States and the withholding of Federal or State funds from these cities or States.
