As both a GOP activist and a financial contributor, I think I have a unique and positive place in the party. I am a veteran of both Operations Iraqi and Enduring Freedom and currently serve as a Lieutenant Colonel in the Iowa Air National Guard. I am a small business owner with seven businesses in Iowa. I am primarily in the healthcare field as an optometrist and own three clinics. I moved back to Sioux City after leaving for the military and school, so I have seen other areas in the US and overseas and can appreciate the benefits of coming back home.
