Responses to Declaration of Candidacy
form.

I am interested in running for National Delegate at-Large for several reasons:

1. I have worked to promote Republican values and candidates for a number of years.
2. I have always been a strong supporter of President Trump.
3. I feel it's vital to represent Iowa in manner that will show respect and also our Iowa values.
4. I understand the importance of unity.
5. I want to be a part of "team" Iowa's delegation, affirming our beliefs and

values to the national Convention delegation and leaders.

I am a registered Republican

I have attended at least the last six State Conventions, the last 6 district conventions and the last five county conventions.

I have held the following leadership positions;

- *County secretary
- *County Vice-Chair
- *County Chair
- *County fundraiser chair
- *County Convention Chair
- *County Caucus Chair

- *State Central Committee

- *State Organization Committee

I have contributed to elections of
Republicans as listed below;

- *Financial donations to Bush, Romney,
Trump, Branstad, Reynolds, Grassley, Ernst,
Behn, Baltimore, and others .

- *Boone County Republicans held phone
calling for many for the elections, I helped
there. I also helped at the State Office in
Des Moines at the phone banks.

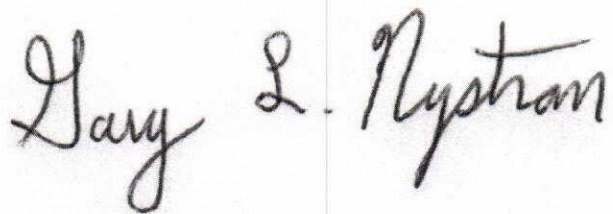

- *Boone County Republicans have every
election year done door knocking and lit
drop. I have been very active in this.

- *Attended various fundraisers for many
candidates.

I ran for City Council in Boone. I was elected for 2-4 year terms. City elections are to be non-partisan, but my Republican values were apparent.

I was born and raised on Boone and still reside there. My wife of 43 years, Kathy has and continues to be my best supporter and guiding light. We have two grown children and five grandkids. I was raised on strong Family values and practice them today with my son, daughter and grandkids. I retired as a owner of a private business after over 45 years. I am currently the Chair of the Boone County Republicans. I have experience interacting with other decision makers, know how to weigh out options

and come up with the best solution. It is always easier to set on the sidelines and offer ideas, but I feel the best way is to get involved.
