Please include any additional information that makes you a good candidate.

I have worked hard, especially over the past decade, to move our party forward at multiple levels. I have served our country with the 600<sup>th</sup> Transportation Unit of the Nebraska Army National Guard. I also strongly believe in our conservative values, and have work hard to speak out for our beliefs. Over past 3 elections, have worked hard to ensure we have a solid and conservative platform to be presented at all levels of the state. I also believe in our party, and want to ensure that our Iowa beliefs are well represented at the national level, and that our Iowa beliefs are put on display at the national platform.

In 2018, I was diagnosed with cancer and started treatment. But even that didn't hold me back from getting out and volunteering for our party and our candidates. We had two special elections in our area at the time, and even on days with chemotherapy treatments, I would go out and drive volunteers around for door knocking, make calls, and contribute in any way that I could. Our conservative beliefs are what sets us apart, and makes us just, and nothing keeps me from pushing to make sure that in the end we stand firm on those beliefs.
