

Grant Funding Available for Congregations

Answer the Call for Healing Creation

Interfaith Partners for the Chesapeake Can Help Your Congregation NOW

*Attend A FREE Chesapeake Bay Trust
Grant Writing Workshop or Webinar*

Don't miss this great opportunity to:

- ❖ Learn best practices to enhance your grant application
- ❖ Tips to help your grant application stand out
- ❖ Direct one-on-one support from IPC staff for up to 8 congregations

Eligible Projects

Include, but not limited to:

- ❖ **Community gardens** that encourage use of the outdoors and education about natural resources
- ❖ **Community clean-ups** that benefit both communities and local waterways
- ❖ **Projects** that combine art with an increased awareness of stormwater issues, such as **storm drain stenciling** or **rain barrel installations**
- ❖ **Community greening projects**, such as tree plantings, have been shown to beautify communities, improve health via air quality, reduce crime and improve stormwater
- ❖ **Projects** that **beautify communities**, capture rain water and improve wildlife habitat such as pollinator habitat plantings and rain gardens
- ❖ **Projects** that **educate and get residents outdoors**, which has been shown to improve human health
- ❖ Or, tell us your idea . . .
