

Date of request: 21<sup>st</sup> of October 2020

We, the undersigned members of the Iranian Canadian Congress, demand the Board of Directors of the Iranian Canadian Congress immediately prepare for a Special General Meeting scheduled for October 21st, 2020. We are demanding this meeting be held at this date because of documents which show that 4 members who are suing the organization are petitioning the court to take over the organization without elections or members voicing their opinion on the future of the organization at the board-scheduled meeting of October 31st, 2020.

This effort to undermine the democratic will of the members is unacceptable to us and we demand that the members immediately have the opportunity to intervene in this matter at a Special General Meeting scheduled for October 21st.

We also demand that at the earliest possible date and prior to the holding of this meeting the publication of 1) the legal invoices of the organization and 2) any and all communications between the ICC and the 4 Applicants who have been engaged in a protracted legal struggle with the organization for the past two years.

As of the date of this request, 234 members have signed this petition. According to the bylaws of the Iranian Canadian Congress,  $(0.2 \times \text{the number of members} + 40)$  is enough to call a special general meeting. As the organization currently has \_ members, this requirement is filled. Relevant section of the bylaws below:

From Article 6 General Meetings:

"Members can petition for a Special General Meeting to deal with certain issues of concern. Upon receipt of such a petition signed by at least  $(0.2 \times N + 40)$  members, where N is the total number of members in the region, board of directors should call for Special General Meeting to be held no later than forty (40) days from the date by which the petition is submitted."
