4. I have no notice of being public property;
5. I am not aware of, nor party to, any process or procedure deeming me public property;
6. I own my own body and mind and all creations and derivatives therefrom, thereto, and therewith;
7. I and others of my capacity and standing are the creators of all government operating on the land of America, established, accepted and relied upon by all the World:
  - A) I have read the Declaration of Independence 1776 whereby The People create The People's Public Trust and did assert for all the World to rely upon:
    - i. The Natural Law of The People to assume political independence, being created equal and endowed by the Creator with certain unalienable Rights, that include Life, Liberty and the pursuit of Happiness;
    - ii. That The People have a right to institute Governments among Men;
    - iii. That The People as Principal grant said Governments just power to secure the rights of The People;
    - iv. That The People have the Right and the Duty to duly consider, investigate and determine with prudence whether abuses, usurpations, and other sufferage have occurred, the destruction of the security of The People, reducing The People under absolute Despotism;
    - v. That The People have the Right and Duty to throw off such Government, or actors abusing the Government, and to provide new Guards for the future security of The People;
  - B) I have read the Territories of Washington's Constitution 1878, whereby The People of said Territories agreed to form a state and institute a government and thereby established The People's Public Trust of the state of Washington for all the World to rely upon;
  - C) I have read the Washington State Constitution, 1889, that created the Government of the State of Washington for the sole purpose of serving and protecting the right and interests of The People of the state of Washington and thereby establishing said for all the World to rely upon;
  - D) I have read the Articles of Confederation 1781 whereby The People of said Confederations Constituted to form a union of the states and institute a federal government and thereby established The People's Public Trust of The United States of America for all the World to rely upon;

- E) I have read The Constitution of The United States of America 1789 that created the Government of The United States of America for the sole purpose of serving and protecting the rights and interests of The People of the Unites States of America and thereby establishing said for all the World to rely upon;
8. I do reconfirm and ratify that I have pledged my political will, by my oath and bond, my Word, to the state of Washington and to The United States of America established by The People's Public Trusts as identified herein;
9. Only after due consideration and investigation, I have determined that the only contract between myself and all governments on, in or of America is that of The People's state of Washington's Constitution, 1878 and 1889;
10. No matter how the administrators of the powers assigned to construct government via state Constitutions whose administrators, public officers, created the federal agency, The United States of America perpetual union of states, 1781 under Confederations alter their administration, in whatever form or forum, the original intent and contract constructing those express powers, I, and others of my capacity and standing are the Superior authority, and each government employee or agent is absolutely obligated to serve their Principal and Master. The People, in their original political state, of which I, Heather Ann Tucci-Jarraf, am one:
11. That I am heir to the living state, a perpetuity, having never waived same, holding all political rights reserved, thereby being EXEMPT from my creations, the political state and its current administrators in corporate venue, process, procedures, regulations, statutes, laws or other forms of coercion upon my Principal status;
12. I have, do, and shall continue to rely on each individual employee of the political state in all of its constructions whether they be public or private, being bound by contract under accepted consideration, to acknowledge their service to the One people who created the very powers each administers as paid employee drawn from neighborhoods of the One People, of which they, My employees, are of The People when not acting for administration of Our Power;
13. That the absolute proof verifying my self-made legal determinations is the state constitution itself wherein all political power resides with The People, and The People reserve all rights not delegated to our construction, the State of Washington 1889, as evidenced by "ARTICLE I DECLARATION OF RIGHTS Sec. 1. "All political power is inherent in The People, and governments derive their just powers from the consent of the governed, and are established to protect and maintain individual rights." and Sec. 30. "The enumeration in this Constitution of certain rights shall not be construed to deny others retained by The People.";
14. That I, Heather Ann Tucci-Jarraf, am competent to handle my own affairs. Any assumption to the contrary is based upon fraudulent concealment, fraudulent deceit, fraud in the inducement,

inducement to take my equities of any nature or kind for purposes of unjust enrichment subject to doctrine of quantum merit requiring equitable restitution;

15. That I, Heather Ann Tucci-Jarraf, am a private living person, not subject to or object of war rules; I am not engaged in activities in conflict with any natural person or entity which could be deemed Trading With An Enemy of My Political State, as the original Political State I reside in is superior to any and all derivatives or administrators of original powers thereof, as I reside in the 3rd judicial district, on the county of Pierce;
16. NOW THEREFORE, I, Heather Ann Tucci-Jarraf, DECLARE, ADJUDGE, and ORDER under the UN-A-LIENABLE RIGHT endowed by my Creator, The People's Creator that:
  - A) That I have executed my right and performed my duty to duly consider, investigate and determine with prudence whether abuses, usurpations, and other sufferage have occurred, the destruction of the security of The People, reducing The People under absolute Despotism;
  - B) With prudence, I have determined that Actors, operating within and abusing The People's Governments, have abused, usurped, and committed other sufferage upon The People, destroying the very security of The People they swore to protect and uphold, reducing The People under absolute Despotism, undeniably recorded in the public forum for all the World to evidence;
  - C) That there is sufficient prima facia evidence in the public forum that the Actors have already identified themselves to The People and the World in the public forum;
  - D) That prior to The People executing their Right and Duty to throw off any live persons that may be within or abusing The People's Governments, that The People shall:
    - i. First identify Actors within or abusing The People's Governments operating for the purpose of destruction of The People's security, past, present and future;
    - ii. That identification of said Actors operating within The People's Governments shall be sufficiently met by evidence of:
      1. the Actors' inability or unwillingness to follow, uphold, or support the Constitutions herein identified and restated here;
      2. the Actors' misapplication against The People of laws previously authorized by The People to be enacted solely for the administration, governance and efficiency of The People's Governments;
      3. the Actors acting outside of the authority granted to them by The People;

4. the Actors causing the silence, termination, delay or otherwise discrediting of The People's due consideration, investigation or determination of abuse, usurpation, and other suffrage that has already occurred, is occurring or is yet to occur;
  5. the Actors receiving or causing others to receive special interest or benefit that is not afforded to every One of The People;
- iii. The Actors themselves do ratify their identity by failing to report and make public in the public forum, before all the World, documentation and information regarding Actors within or abusing The People's Governments that are or have abused, usurped, and committed other suffrage upon The People, destroying the very security of The People, reducing The People to absolute Despotism;
  - iv. The Actors themselves do ratify their identity by having received or continuing to receive stolen assets and benefits or cause said assets and benefits to be received through deceptive acts and practices when not supported by documentation able to be verified and authenticated in the public forum;
  - v. The Actors operating within The People's Governments themselves do ratify their identity by continuing to fail to perform their obligations and duties contrary to their oaths, offices and personal bonds to The People, their Principal, their Superior from whom their just and limited powers were derived;
- E) That upon identification of said Actors, The People shall execute their Right and perform their Duty to throw off any live persons that may be within or abusing The People's Governments and The People shall provide new Guards for the future security of The People;
  - F) That my EXEMPT STATUS and CAPACITY on authority of the Constitution for the State of Washington, 1878 and 1889, supported by the Declaration of Independence and the other Constitutions identified herein, restated here, is perfected in law and in fact which is now before all of the World;
  - G) Any and all constructed entities of any nature or kind are limited in their relationships with me to those I consent to be engaged under full disclosure, with consideration, all performance there under expected by such entities to be of written agreement known to all parties as the only enforceable provisions which could have affect upon me, Heather Ann Tucci-Jarraf;
  - H) That in the event I, Heather Ann Tucci-Jarraf, am held to any performance outside my understandings through or by the threat or use of threat of physical injury, or physical restraint, or by use or threat of use of coercion through the law or legal process, placing me

in fear of physical restraint or injury or legal coercion will cause me to believe and have evidence that I am held to an involuntary servitude<sup>1</sup>;

- I) that STATE OF WASHINGTON the administrator for and to the powers held in the name of the One People of Washington by the State of Washington; a political body, a government, a public trust, has taken the political will of The People under constitution as value to found said current administration and waived any and all defects. Thereby all agents of STATE OF WASHINGTON are bound to the original state constitution. The contract for transfer and administration of political will is the only agreement between The People, of which Heather Ann Tucci-Jarraf is one, and must be enforced upon all agents and instrumentalities operating for STATE OF WASHINGTON. Lack of such enforcement for the recognition of Heather Ann Tucci-Jarraf's rights and others' rights with similar capacity and standing under the contract constitution by agents of STATE OF WASHINGTON or UNITED STATES OF AMERICA is involuntary servitude to STATE OF WASHINGTON corporation, EIN 91-6001089, and UNITED STATES OF AMERICA corporation. Purchase and/or use of powers, authorities held by State of Washington, applied by STATE OF WASHINGTON, to operate a business providing goods and services of government, binds STATE OF WASHINGTON to original contract constitution. This purchase and use is perfected by bonded performance, the valuable consideration, payment for use of powers, the specific individual performance under original contract to the Washington State Constitution and The Constitution of the United States of America by each Actor claiming to act for STATE OF WASHINGTON and UNITED STATES OF AMERICA. Any and all acts and/or omissions operating outside the original contract constitution affected upon Heather Ann Tucci-Jarraf is involuntary servitude.<sup>1</sup>;
- J) I, Heather Ann Tucci-Jarraf, state as a matter of personal legal determination as accepted and understood from the publicly published documents before the entire world that:
- i. The Washington State BAR Association is an agency of The People of the State of Washington set up in 1933;
  - ii. Each and every member of the Washington State BAR Association from the beginning is bound by personal oath required by the BAR act itself to support the Constitution of the State of Washington and Constitution of the United States;

"Held for purposes of criminal prosecution under §241 or §1584, the term, "involuntary servitude" necessarily means a condition of servitude in which the victim is forced to work for defendant (IRS) by use or threat of physical restraint or physical injury or by use or threat of coercion through the law or the legal process. This definition encompasses cases in which the defendant holds the victim (me) in servitude by placing him or her in such fear of physical restraint or injury or legal coercion".

- iii. Each and every Washington State BAR Association member pledges personal oath to NOT counsel or maintain any suit or proceeding which SHALL APPEAR to the BAR member to be unjust, which means each act by any BAR member must first be in accord and harmony with The Original Jurisdictions, authorities, and limits of the State of Washington Constitution, Declaration of Independence, Articles of Confederation in aggregate as The One Peoples' Public Trust must be first and foremost served;
  - iv. Washington State BAR Association actors are recognized merchants of law in the corporate state courts subject to the Peoples' Public Trust by and through their own acts and words; and,
  - v. Any Washington State BAR Association member failing to accord each and every of The People legal protection required by the Public Trust executes involuntary servitude upon The People both in general and specific to those directly affected by BAR members' acts or omissions;
- K) I, Heather Ann Tucci-Jarraf, state as a matter of personal legal determination that in the event that I am held to any STATE OF WASHINGTON, REVISED CODE, ADMINISTRATIVE CODE, COUNTY ORDINANCE, CITY ORDINANCE or FEDERAL UNITED STATES CODE, FEDERAL REGULATION or FEDERAL RESERVE REGULATION whatsoever against my will, without full knowing consent shown by signed contract with full disclosure of law and contract obligations, duly processed under limits of the State of Washington Constitution specifically disclosing the section relied upon, wherein, The People are identified as subjects of and to such delegations therein, proves and will be evidence that I am held to involuntary servitude of the most base kind. And I will have proof founded upon such holding of me against my will that such holding is for personal gain and benefit to those holding me to peonage, of whatever position, public or private;
- L) I, Heather Ann Tucci-Jarraf, believe and have evidence the State of Washington law, its constitution, and its administrative body STATE OF WASHINGTON codes and administrative regulations, never authorized any federal or state agency or instrumentality to act against me without my consent. I HAVE NEVER GIVEN MY CONSENT TO BE SUBJECT OR OBJECT OF OR TO POWERS NOT DULY DELEGATED BY The People TO CREATE OUR CONSTITUTION, THE DOCUMENT CONSTRUCTING THE POLITICAL BODY the State of Washington, Republic, 1878/1889 administration. Any such holding of me to anything, particularly by INTERNAL REVENUE SERVICE, is involuntary servitude enforced by coercion threat of physical injury, physical restraint, threat or coercion through the law or legal process, a violation of law, a felony, that of slavery through conspiracy between STATE OF WASHINGTON and INTERNAL REVENUE SERVICE;

- M) This conspiracy takes the form of STATE OF WASHINGTON allowing INTERNAL REVENUE SERVICE to act out what would be felonies by any other person. The felony is attaching asset via process not in compliance with STATE OF WASHINGTON laws governing taking wherein due process is required. The never applying for due process means INTERNAL REVENUE SERVICE commits theft by deception. Federal debt collection laws also require due process and court orders prior to takings just as STATE OF WASHINGTON law does. This means INTERNAL REVENUE SERVICE is committing theft in violation of federal law as well;
- N) Being that funds collected by any party of STATE OF WASHINGTON and/or federal instrumentality is used to support a private money system, FEDERAL RESERVE, my position carries my equity through all systems using private money system operated and owned by FEDERAL RESERVE;
- O) I, Heather Ann Tucci-Jarraf, have been induced by INTERNAL REVENUE SERVICE, a claimed yet unproved federal agency functioning under United States Treasury, to engage, for the giving up of my labor in the form of TAX. This TAX and its systems of operations are enforced against me through deceit, deceptive trade practices wherein INTERNAL REVENUE SERVICE masquerades as officials of The United States, under threat of physical restraint, or physical injury, by use or threat of coercion through the law or legal process<sup>2</sup>, holds me to liability against my will without disclosure of authority to do so, slavery in fact and deed;
- P) INTERNAL REVENUE SERVICE in conspiracy with Actors operating within or abusing the United States Attorney's Offices, United States Courts, STATE OF WASHINGTON, construct and enforce a falsehood fraudulently inducing me to believe that:
- i. I may be forced to contract against my will with anyone including the Governments I as One of The People created, creates or shall create;
  - ii. I may be forced to cooperate with a fraud;
  - iii. I as One of The People, am inferior to the Governments we created, whom derive their just and limited power from The People;

This definition encompasses cases in which the defendant holds the victim (me) in servitude by placing him or her in such fear of physical restraint or injury or legal coercion".

- iv. I may be forced to accept the misapplication and enforcement of laws authorized to be created solely for the governance, administration and efficiency of The People's Governments;
  - v. I may be forced to give testimony against myself when a penalty is involved, against my will;
  - vi. I may be held against my will by actions which place me in fear of physical restraint or injury through legal coercion;
  - vii. I have no right to see the law and regulations duly promulgated that are used against me;
  - viii. I have no right to challenge process, used against me through the legal process;
  - ix. If I demand to see the law or contract I am held to by INTERNAL REVENUE SERVICE and co-conspirators, I will be deemed to be committing unlawful acts;
  - x. That if I demand to see that a loan was made, which is required for a debt to exist, that I am being contentious and irresponsible;
  - xi. The force used against me through legal coercion, the fear of injury, physical restraint, is not designed and is not intended to hold me to involuntary servitude, a slave to INTERNAL REVENUE SERVICE; and that same is not a violation of law;
  - xii. That there is no evidence anywhere that my beliefs as based on facts in public record, or that my beliefs herein are not true, correct, with complete verification by and through the State of Washington Constitution;
  - xiii. That if I believe in the Constitutions and founding documents, then I am to be labeled a "constitutionalist" and designated by the legal enforcement systems operating the SLAVERY SYSTEM as a "domestic terrorist";
  - xiv. That our Founding Fathers were the first terrorists on American soil;
- Q) I do not believe such inducement is based on any authority. I believe the inducement is in fact a fraud, a lie intended to place me in bonded peonage to private law and commercial systems, for which certain actors receive benefits of such slavery;
  - R) I do not believe that our Founding Fathers were terrorists;
  - S) I am not a terrorist, domestic or otherwise;
  - T) I own my own body and mind, and the commandeered units of my labor backed value, the funds representing my labor, sweat equity, taken by the INTERNAL REVENUE SERVICE

or any **Actor** under fraudulent process, when identified as received by INTERNAL REVENUE SERVICE, are used to back FEDERAL RESERVE private money system which establishes my contractual right to REIMBURSEMENT in any claim for return of sweat equity;

- U) I, Heather Ann Tucci-Jarraf, am now held as involuntary servant, a slave, under false representations of material fact made with knowledge of its falsity, with reckless abandon, with no reasonable grounds for those holding me bound against my will to believe its truth, under intent to induce reliance on such falsities, upon which I have previously relied to my injury under concealment of deceptive trade practices, acts conveying my property, labor, of any nature or kind, the premier equity position, intended to defraud me, the CREDITOR, by hindering, delaying REIMBURSEMENT and recoument of values attached to my equities taken and used by FEDERAL RESERVE to fund it's private money systems as well as others with my similar capacity and standing;
- V) I, Heather Ann Tucci-Jarraf, have been made BANKRUPT, INSOLVENT under PL 88-243, 77 stat 630, 1-201 (24) by all Executive Orders; 2040 March 9, 1933, 2039 March 6, 1933, House Joint Resolution 192 June 5, 1933; et seq. which suspended Heather Ann Tucci-Jarraf's legal and political right to pay, extinguish, my debts with lawful public money system funds set by law constructing any and all government entities or instrumentalities. I had no knowledge until recently that this peril of Bankruptcy, insolvency, could act upon me as if I were an involuntary servant wherein I could be forced to perform services in discharge of debt due to inability to pay. The inability to pay operated through the legal process without knowledge that such use of discharge could make me a slave to private money system operated by FEDERAL RESERVE and UNITED STATES TREASURY under War Powers Rules, is now known to me;
- W) Deceptive trade and legal process wherein my labor, sweat equity, my commandeered units of labor backed value, is taken by collection under coercion and force with threat intended to create fear that I will be harmed, injured, demanding my equities be returned, results in involuntary servitude, peonage to such enforcement systems;
- X) That FEDERAL RESERVE operates as the ultimate Buyer of my equities used to support its private money systems, wherein purchase or use of my equities by any party constructs the contract and contractual Right against FEDERAL RESERVE in all its instrumentalities and interlocking directorates for REIMBURSEMENT of value taken in current funds upon demand;
- Y) That I, Heather Ann Tucci-Jarraf, rely upon the very powers organizing the FEDERAL RESERVE, governments and commercial engagements inclusive for enforcement of my

contractual rights, the absolute obligations, as securities of the United States being mandatory without excuse of any kind upon THE FEDERAL RESERVE;

Z) That Heather Ann Tucci-Jarraf holding rights reserved, is supported by laws of International Commerce administered by the World Court of Justice before which my complaints of DISHONOR IN COMMERCE are enforceable under audit upon any and all equities related to my labor, wherever situated under any transfer instrument of any kind; and that,

AA) I, Heather Ann Tucci-Jarraf, declare as founded upon notorious public record authorities that **FAILURE TO REIMBURSE UPON DEMAND UNDER USE OF MY EQUITIES IS INVOLUNTARY SERVITUDE TO THE PRIVATE MONEY SYSTEM OWNED AND OPERATED BY FEDERAL RESERVE SYSTEM, TO EACH AND EVERY OF ITS BENEFICIARIES OF ANY NATURE UNDER ANY KIND OF CONTRACT OR AGREEMENT WHATSOEVER, REAL OR ASSUMED.**

- xi. The force used against me through legal coercion, the fear of injury, physical restraint, is not designed and is not intended to hold me to involuntary servitude, a slave to INTERNAL REVENUE SERVICE; and that same is not a violation of law;
- xii. That there is no evidence anywhere that my beliefs as based on facts in public record, or that my beliefs herein are not true, correct, with complete verification by and through the State of Washington Constitution;
- xiii. That if I believe in the Constitutions and founding documents, then I am to be labeled a "constitutionalist" and designated by the legal enforcement systems operating the SLAVERY SYSTEM as a "domestic terrorist";

- V) I, Charles C: Miller, have been made BANKRUPT, INSOLVENT under PL 88-243, 77 stat 630, 1-201 (24) by all Executive Orders; 2040 March 9, 1933, 2039 March 6, 1933, House Joint Resolution 192 June 5, 1933; et seq. which suspended Charles C: Miller's legal and political right to pay, extinguish, my debts with lawful public money system funds set by law constructing any and all government entities or instrumentalities. I had no knowledge until recently that this peril of Bankruptcy, insolvency, could act upon me as if I were an involuntary servant wherein I could be forced to perform services in discharge of debt due to inability to pay. The inability to pay operated through the legal process without knowledge that such use of discharge could make me a slave to private money system operated by FEDERAL RESERVE and UNITED STATES TREASURY under War Powers Rules, is now known to me;
- W) Deceptive trade and legal process wherein my labor, sweat equity, my commandeered units of labor backed value, is taken by collection under coercion and force with threat intended to create fear that I will be harmed, injured, demanding my equities be returned, results in involuntary servitude, peonage to such enforcement systems;
- X) That FEDERAL RESERVE operates as the ultimate Buyer of my equities used to support its private money systems, wherein purchase or use of my equities by any party constructs the contract and contractual Right against FEDERAL RESERVE in all its instrumentalities and interlocking directorates for REIMBURSEMENT of value taken in current funds upon demand;
- Y) That I, Charles C: Miller, rely upon the very powers organizing the FEDERAL RESERVE, governments and commercial engagements inclusive for enforcement of my contractual rights, the absolute obligations, as securities of the United States being mandatory without excuse of any kind upon THE FEDERAL RESERVE;
- Z) That Charles C: Miller holding rights reserved, is supported by laws of International Commerce administered by the World Court of Justice before which my complaints of DISHONOR IN COMMERCE are enforceable under audit upon any and all equities related to my labor, wherever situated under any transfer instrument of any kind; and that,
- AA) I, Charles C: Miller, declare as founded upon notorious public record authorities that FAILURE TO REIMBURSE UPON DEMAND UNDER USE OF MY EQUITIES IS INVOLUNTARY SERVITUDE TO THE PRIVATE MONEY SYSTEM OWNED AND OPERATED BY FEDERAL RESERVE SYSTEM, TO EACH AND EVERY OF ITS BENEFICIARIES OF ANY NATURE UNDER ANY KIND OF CONTRACT OR AGREEMENT WHATSOEVER, REAL OR ASSUMED.**
