

Question Result for RightNow

September 2020

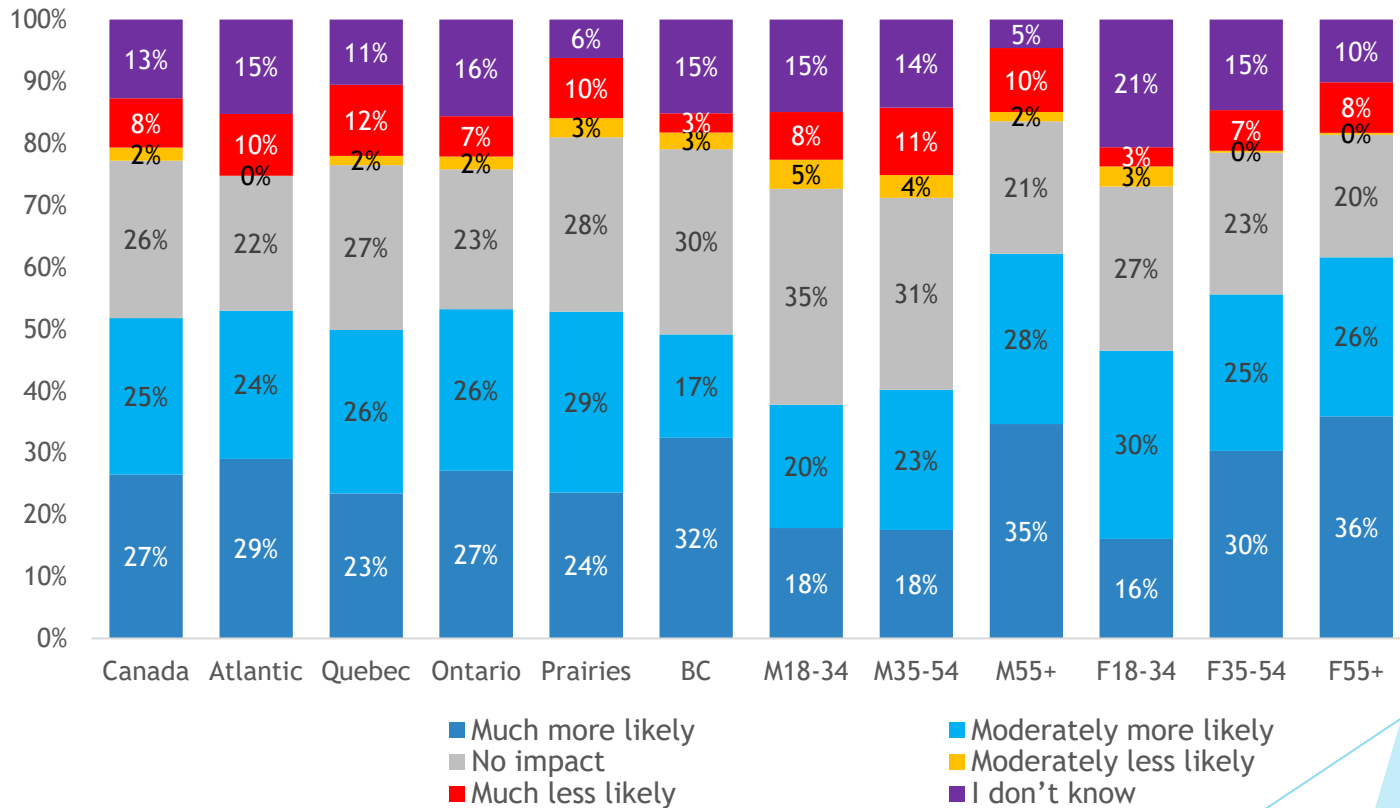

ONΞ

Methodology

- ▶ Survey of 1,007 Canadians conducted using a national representative sample.
- ▶ Margin of error is +/- 3.1%, for the national sample, but larger for sub-groups.
- ▶ The survey was conducted in both English and French
- ▶ Data was collected between September 28 and 30, 2020
- ▶ Results have been weighted by region, age, gender, language most often used at home and past federal vote using the most recent census data

According to the Canadian Medical Association Journal, the practise of sex-selective abortion (where female fetuses are aborted for the primary reason that they are female and not male) occurs in Canada today, yet no law exists to restrict this practice.

Would you be more likely to vote for a political party that promised to legally restrict sex-selective abortion in Canada?

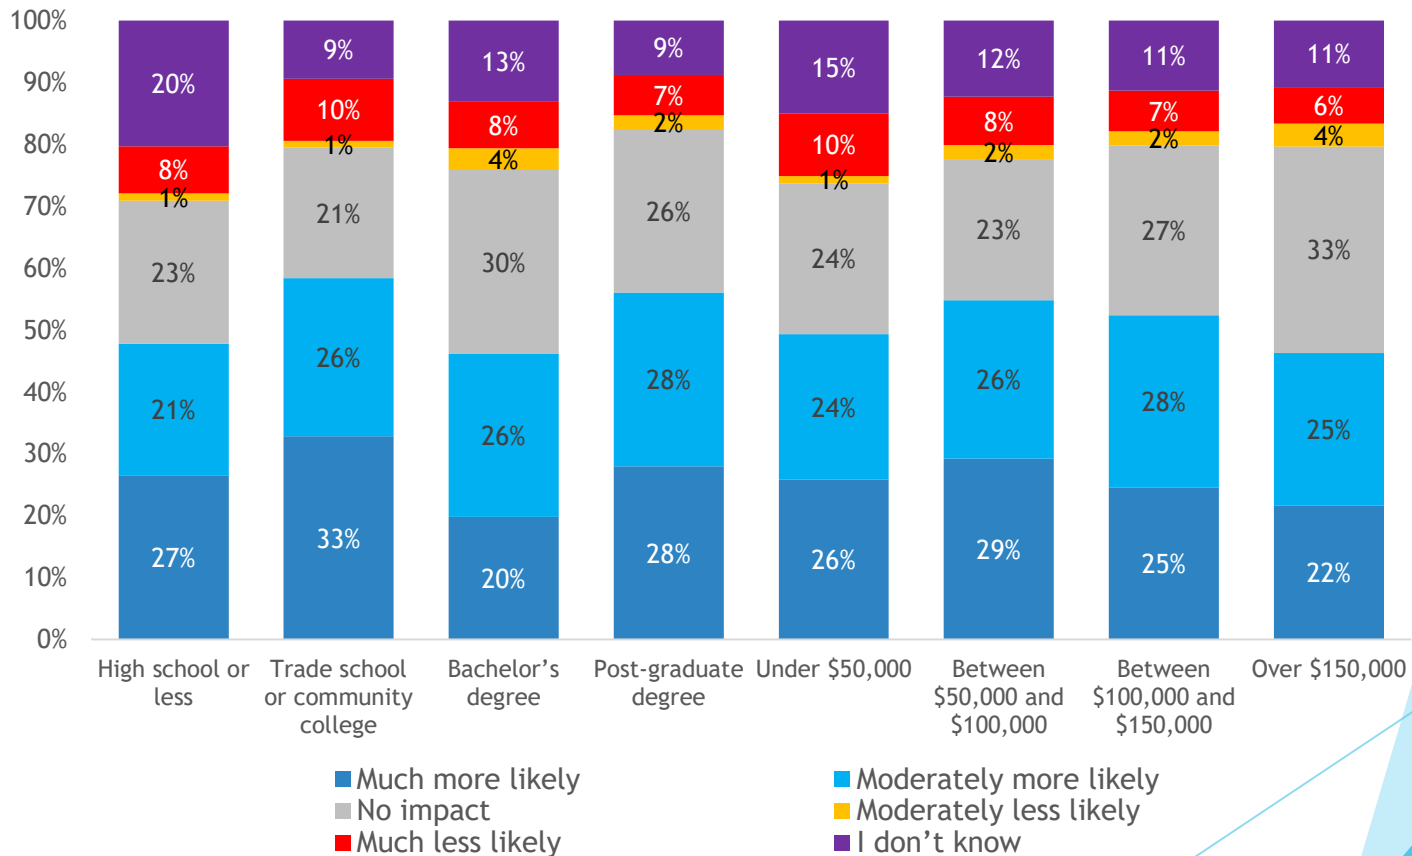

Region and Age & Gender

ONE

According to the Canadian Medical Association Journal, the practise of sex-selective abortion (where female fetuses are aborted for the primary reason that they are female and not male) occurs in Canada today, yet no law exists to restrict this practice.

Would you be more likely to vote for a political party that promised to legally restrict sex-selective abortion in Canada?

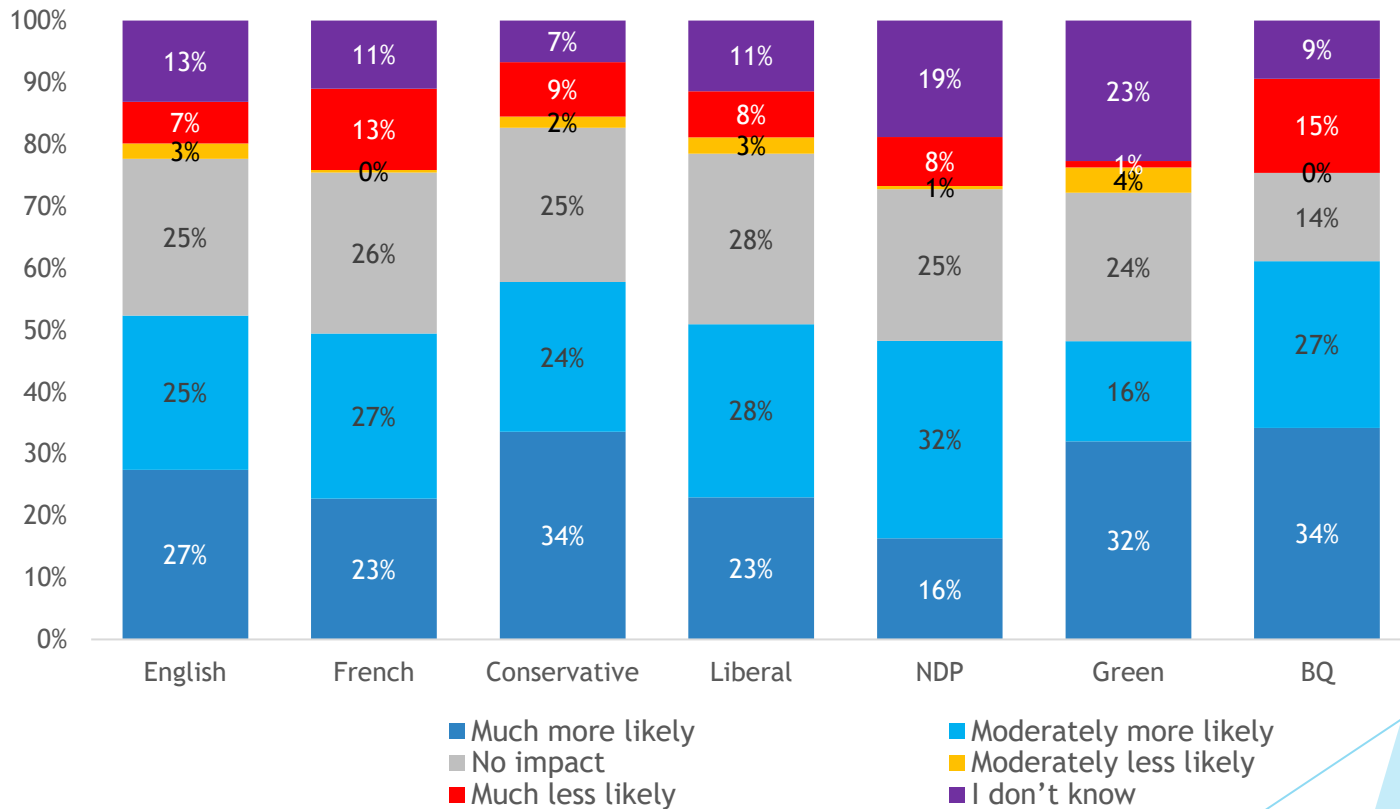

Education and Household Income

According to the Canadian Medical Association Journal, the practise of sex-selective abortion (where female fetuses are aborted for the primary reason that they are female and not male) occurs in Canada today, yet no law exists to restrict this practice.
