<b>AGENDA ITEM</b>	<b>DISCUSSION</b>
<b>1. Introductions</b>	Betsey facilitated introductions.
<b>2. Announcements</b>	CRO Robert Gallinatti updated the NCPC on the City of Oakland's implementation of the shelter in place model at 35 <sup>th</sup> and Peralta. The encampment will be closing in March with all residents having been placed in permanent housing. The City will be looking for the next location with special attention to 5 <sup>th</sup> and Brush/Castro. It was noted that 5 <sup>th</sup> and Webster should be on the cities radar as the encampment takes up both sides of the sidewalk and is no longer code compliant. CRO Gallinatti would check in with unsheltered residents at 5 <sup>th</sup> and Webster.
<b>3. Crime Report</b>	Officer Gallinatti presented the crime statistics for Beat 1x for 2016.
<b>4. Bloc 15 Group</b>	Bruce Stoffmacher presented the City of Oakland's Camera registry, potential benefits, and camera requirements.
<b>5. NCPC Beat 1x</b>	<p>Discussion of how NCPC funds should be spent occurred. With the auto burglary statistics from 2016, it was decided that the implementation of Curb Theft signs printed on aluminum would serve the community best.</p> <p>Gary Knecht moved to spend NCPC 1x funds on Curb Theft signage, Joe Sorquist seconded. The motion to use NCPC Beat 1x funding on the implementation of permanent curb theft signs was approved unanimously.</p> <p>The second action item was to appoint Betsey Archer from Co-Chair to Chair of the NCPC Beat 1x.
