

**NEW SOUTH WALES**

**DRAFT NON-GOVERNMENT BILL**

**To be introduced by: Mr J T Parker, MP**

**Companion Animals Amendment (Dining Areas) Bill 2017**

**Explanatory note**

This explanatory note relates to this Bill as introduced into Parliament.

**Overview of Bill**

The object of this Bill is to provide that legal restrictions that would otherwise make it an offence to allow a dog to be in an area where food is consumed do not prohibit a dog from being in such an area (whether indoor or outdoor) if:

- (a) the dog is under the effective control of some competent person and is restrained by means of an adequate chain, cord or leash that is attached to the dog, and
- (b) the person does not feed the dog or permit the dog to be fed, and
- (c) the dog is prevented from being in any part of an area that is used for the preparation of food, and
- (d) the dog is not a dangerous, menacing or restricted dog.

The relevant legal restrictions are:

- (a) a provision of the *Companion Animals Act 1998* that prohibits dogs being in a food preparation or consumption area (that is, any public place, within 10 metres of any apparatus provided for the preparation or consumption of food), and
- (b) provisions of the *Australia New Zealand Food Standards Code* (compliance with which is made mandatory by the *Food Act 2003*) that prohibit food businesses from permitting live animals in areas in which food is handled.

Neither of those restrictions applies to assistance animals being used by a person with a disability, so the new provisions will not limit the access of assistance dogs to any dining area.

The provisions being amended already include further exemptions applying to outdoor dining areas in off-leash areas. Those further exemptions will continue to operate for such dining areas.

Companion Animals Amendment (Dining Areas) Bill 2017 [NSW]  
Explanatory note

---

The amendments do not confer any entitlement on a person accompanied by a dog to enter or use any dining area without the permission of the operator of the relevant food business and do not affect the other requirements of the *Australia New Zealand Food Standards Code* and the *Food Act 2003* relating to hygiene and cleanliness.

## **Outline of provisions**

**Clause 1** sets out the name (also called the short title) of the proposed Act.

**Clause 2** provides for the commencement of the proposed Act on the date of assent to the proposed Act.

**Schedule 1** specifies the limited circumstances (listed in the Overview) in which dogs in dining areas that are indoor will not breach the legal restrictions referred to in the Overview.
