

ON-DEMAND GLEBE FERRY

HOW IT WORKS

The new Glebe ferry will not run on a timetable, it's on-demand. To catch a ferry from the **Blackwattle Bay Wharf**, simply pre-book your trip on the Tranzer app before you head down or call a vessel at the wharf kiosk.

Most ferries will take between 8-12 minutes to arrive once they have been called.

BOOK ON TRANZER APP

Download the Tranzer app and pre-book your ferry trip using the location '**Blackwattle Bay Wharf**'. You can book up to 24hrs in advance.

WHARF KIOSK

Book a ferry when you arrive at the wharf using the kiosk (see right).

Pro tip // Save on wait time and book using the Tranzer app from home!
