Dear Jesse

## **THANK YOU**

The occasion at Wembley was one we will all hold close to our thoughts forever, and despite the result, we can all be proud of what Hereford FC, its players and supporters have achieved in this first year since we re-formed. For there to be 20,000 people at Wembley to cheer Hereford FC is testament to the level of interest shown by the people of Herefordshire and the wider community.

The appearance of 'Ronaldo the Bull' made the experience even more special; a proud county and club able to take its mascot to the famous stadium in an unprecedented manner.

The role you played in helping accommodate Ronaldo's appearance at Wembley cannot be over-estimated, and the club are extremely grateful to you.

We appreciate that in your roles both as our MP and as Chairman of the Sport & Media Committee you were able to help persuade a change of mind within the powers that be at Wembley and the FA.

We thank you for your help in making the day so special – Ronaldo caused great interest amongst both national and local, media which in turn will help Hereford FC as we continue our journey.

We look forward to seeing you at Edgar Street next season.

Kind regards

Jon Hale  
Chairman
