Dear Neighbour:

Re: Demolition of the Former Lorne Avenue Public School

The former Lorne Avenue Public School is scheduled for demolition starting in January 2018. The scope of work includes the demolition of the existing school, existing storage shed, asphalt surfaces and internal fencing. Upon completion of the demolition, the site will be restored with topsoil and seed. The work is anticipated to be completed by September 2018.

To ensure safety of residents, the construction site will be completely enclosed with temporary construction fencing that will be installed by the contractor. Access to the construction site will be restricted to authorized personnel only.

The first phase of the project will consist of interior Designated Substances abatement followed by the final phase of demolishing the building. All work will be carried out in accordance with all applicable legislated requirements and the Occupational Health & Safety Act.

Questions regarding the demolition project can be forwarded to Daryl Diegel by phone at (519) 661-CITY (2489) ext. 8464, or by e-mail at ddiegel@london.ca.

Any questions regarding the future use of the site can be forwarded to Michelle Knieriem by phone at (519) 661-CITY (2489) ext. 4549, or by email at mknieriem@london.ca.

Thank you for your understanding and patience during the construction period.

Yours truly,

Daryl Diegel
